OCE: Plat Vacate/Road Closing Review v.2				
ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
Utilities (OCE Plans) (Utilities)		08/06/2026	07/30/2026	Informational
Comments	Project is within the City of Belleview Utilities service area. Marion County Utilities previously requested a Letter of No Objection from the City of Belleview to be included with the submittal. The letters provided with this submittal have not been signed or completed by the City of Belleview and do not satisfy this requirement.			
	Public water and wastewater utilities are installed along SE 58th Avenue.			

OCE: Plat Vacate/Road Closing Review v.1				
ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
911 Management (DR) (911 Management)	Sarah Gurczynski	07/20/2026	07/14/2026	Approved
Environmental Health (Plans) (Environmental Health)	Evan Searcy	07/20/2026	07/15/2026	Approved
Fire Marshal (Plans) (Fire)	Jonathan Kenning	07/20/2026	07/14/2026	Approved
Growth Services Planning & Zoning (DR) (GS Planning and Zoning)	Erik Kramer	07/20/2026	07/17/2026	Informational
Corrections	Plat Vacation (Resolved) - Corrective Action: Land use is Commerce District. Zoning is Planned Unit Development (Baseline Commerce Center PUD).			
	Growth Services staff does not object to the vacation of the drainage easement, but staff note the following:			
	[1] the property's one time division has been used up. PID 37490-000-03 which is not a part of a platted subdivision originates from PID 37490-000-00, which is the subject property in this plat vacate request. As such, any future subdivisions of the subject parcel will require a formal plat.			
	[2] A revision to the PUD's master plan is required to reflect how the existing plans/conditions have been changed from the original master plan approved under AR 344. - Plat Vacation: Land use and zoning information check.			
Comments	Land use is Commerce District. Zoning is Planned Unit Development (Baseline Commerce Center PUD).			
	Growth Services staff does not object to the vacation of the drainage easement, but staff note the following:			
	[1] The property's one time division has been used up. PID 37490-000-03 which is not a part of a platted subdivision originates from PID 37490-000-00, which is the subject property in this plat vacate request. As such, any future subdivisions of the subject parcel will require a formal plat.			
	[2] A revision to the PUD's master plan is required to reflect how the existing plans/conditions have been changed from the original master plan approved under AR 344. A stamped, approved copy of AR 344 has been added to the Attachments of this plan.			
Landscape (Plans) (Parks and Recreation)	Susan Heyen	07/20/2026	07/14/2026	Not Required

SUBMITTAL SUMMARY REPORT (PlatVacate-001063-2026)

ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
OCE Property Management (Plans) (Office of the County Engineer)		07/20/2026	07/16/2026	Informational
Comments	Title commitment less than 20 days old at time of submittal. - DR 7/16/26			
OCE Stormwater (Permits & Plans) (Office of the County Engineer)	Alexander Turnipseed	07/20/2026	07/13/2026	Informational
Comments	The applicant is proposing to vacate a portion of parcel 37490-000-00 to replace drainage easements "A" & "B". Per MCPA, there appears to be 0 sf existing impervious coverage on the property. There are Flood Prone Areas on the property. A Major Site Plan or Waiver will be required when the existing and proposed impervious coverage exceeds 9,000 sf.			
OCE Survey (Plans) (Office of the County Engineer)	Theresa Smail	07/20/2026	07/20/2026	Informational
Comments	177.101 Vacation and annulment of plats subdividing land.— (1) Whenever it is discovered, after the plat has been recorded in the public records, that the developer has previously caused the lands embraced in the second plat to be differently subdivided under and by virtue of another plat of the same identical lands, and the first plat was also filed of public record at an earlier date, and no conveyances of lots by reference to the first plat so filed appears of record in such county, the governing body of the county is authorized and directed to and shall, by resolution, vacate and annul the first plat of such lands appearing of record upon the application of the developer of such lands under the first plat or upon application of the owners of all the lots shown and designated upon the second and subsequent plat of such lands, and the circuit court clerk of the county shall thereupon make proper notation of the annulment of such plat upon the face of such annulled plat. (2) Whenever it is discovered that after the filing of a plat subdividing a parcel of land located in the county, the developer of the lands therein and thereby subdivided did cause such lands embraced in said plat, or a part thereof, to be again and subsequently differently subdivided under another plat of the same and identical lands or a part thereof, which said second plat was also filed at a later date; and it is further made to appear to the governing body of the county that the filing and recording of the second plat would not materially affect the right of convenient access to lots previously conveyed under the first plat, the governing body of the county is authorized by resolution to vacate and annul so much of the first plat of such lands appearing of record as are included in the second plat, upon application of the owners and developer of such lands under the first plat or their successors, grantees, or assignees, and the circuit court clerk of the county shall thereupon make proper notation of the action of the governing body upon the face of the first plat. The approval of a replat by the governing body of a local government, which encompasses lands embraced in all or part of a prior plat filed of public record shall, upon recordation of the replat, automatically and simultaneously vacate and annul all of the prior plat encompassed by the replat. (3) The governing bodies of the counties of the state may adopt resolutions vacating plats in whole or in part of subdivisions in said counties, returning the property covered by such plats either in whole or in part into acreage. Before such resolution of vacating any plat either in whole or in part shall be entered by the governing body of a county, it must be shown that the persons making application for said vacation own the fee simple title to the whole or that part of the tract covered by the plat sought to be vacated, and it must be further shown that the vacation by the governing body of the county will not affect the ownership or right of convenient access of persons owning other parts of the subdivision. (4) Persons making application for vacations of plats either in whole or in part shall give notice of their intention to apply to the governing body of the county to vacate said plat by publishing legal notice in a newspaper of general circulation in the county in which the tract or parcel of land is located, in not less than two weekly issues of said paper, and must attach to the petition for vacation the proof of such publication, together with certificates showing that all state and county taxes have been paid. For the purpose of the tax collector's certification that state, county, and municipal taxes have been paid, the taxes shall be deemed to have been paid if, in addition to any partial payment under s. 194.171, the owner of the platted lands sought to be vacated shall post a cash bond, approved by the tax collector of the county where the land is located and by the Department of Revenue, conditioned to pay the full amount of any judgment entered pursuant to s. 194.192 adverse to the person making partial payment, including all costs, interest, and penalties. The circuit court shall fix the amount of said bond by order, after considering the reasonable timeframe for such litigation and all other relevant factors; and a certified copy of such approval, order, and cash bond shall be attached to the application. If such tract or parcel of land is within the corporate limits of any incorporated city or town, the governing body of the county shall be furnished with a certified copy of a resolution of the town council or city commission, as the case may be, showing that it has already by suitable resolution vacated such plat or subdivision or such part thereof sought to be vacated. (5) Every such resolution by the governing body shall have the effect of vacating all streets and alleys which have not become highways necessary for use by the traveling public. Such vacation shall not become effective until a certified copy of such resolution has been filed in the offices of the circuit court clerk and duly recorded in the public records of said county. (6) All resolutions vacating plats by the governing body of a county prior to September 1, 1971, are hereby validated, ratified, and confirmed. Such resolutions shall have the same effect as if the plat had been vacated after September 1, 1971.			
OCE Traffic (Permits & Plans) (Office of the County Engineer)	Sydney Oberdorfer	07/20/2026	07/13/2026	Approved
Utilities (OCE Plans) (Utilities)	Heather Proctor	07/20/2026	07/15/2026	Requires Re-submit
Comments	Project is located within the City of Belleview utility service area. Please provide the Letter of No Objection from the City of Belleview Public Works Division confirming that it has no objections to the proposed plat vacation and that no utility conflicts exist.

NOTE: Unless stated otherwise, this survey has been prepared without the benefit of a title search or title commitment, and therefore is subject to any dedications, restrictions, easements, or other matters of record that a commitment or search map would reveal. Building setback lines have not been shown on this map of survey, unless otherwise noted. To determine setback requirements, the owner or user should consult the certified holders to the county or city zoning department. All distances shown, other than lot or boundary distances, are approximate and should not be relied upon by the certificate holder(s). Structures, topography items and appearances shown are in approximate locations; their configurations are also approximated and could vary. Other features shown are approximate to the parcel, but might not be shown on this map.

Surveyor's Report and Additional Notes

17. BARRIERS ARE BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM WEST ZONE, NAD 83. BARRIERS ARE LOCATED AT THE CORNERS OF THE PARCELS FOR THE SURVEY. THE SOUTHEAST LINE OF SURVEY PARCEL HAS A BEARING OF S37°32'30"E.
18. THERE ARE NO FENCES OR BARRIERS LOCATED ON THE SURVEYED LAND.
19. SUBSURFACE AND ENVIRONMENTAL CONDITIONS WERE NOT EXAMINED OR CONSIDERED IN THE CONDUCT OF THIS SURVEY. THERE ARE NO KNOWN OBSTRUCTIONS TO THE SURVEY UNDERGROUND OR OVERHEAD. CONTAINERS OR FACILITIES THAT MAY AFFECT THE SURVEY OR DEVELOPMENT OF THIS TRACT.
20. BARRIERS WERE PLACED TO FOLLOW THE PROGRESS OF THIS SURVEY TO LOCATE THE BOUNDARY UTILITIES STRUCTURES, INCLUDING BUT NOT LIMITED TO: SEPTIC TANKS, BURNING PILES, CABLES, ETC. BEFORE EXCAVATIONS ARE BEGUN. THE APPLICANT/OWNER SHOULD BE ADVISED THAT THE BARRIERS ARE NOT TO BE REMOVED OR ALTERED.

Application for Plat Vacation

Chapter 177 F.S. provides that the governing bodies of the counties of the state may adopt resolutions vacating plats in whole or in part of subdivisions in said counties, returning the property covered by such plats either in whole or in part into acreage. Before such resolution of vacating any plat either in whole or in part shall be entered by the governing body of a county, it must be shown that the persons making application for said vacation own the fee simple title to the whole or that part of the tract covered by the plat sought to be vacated, and it must be further shown that the vacation by the governing body of the county will not affect the ownership or right of convenient access of persons owning other parts of the subdivision.

RE: Baseline Road Ocala, LLC – Partial Plat Vacation Applications / Drainage Easements

Dear Sir or Madam:

Our office represents Baseline Road Ocala, LLC in connection with the proposed development of the above-referenced property and two proposed partial plat vacations relating to drainage easements created by two separate plats: (i) Industrial 35 Unit 1, recorded in Plat Book X, Page 83, Public Records of Marion County, Florida, and (ii) Beltway Business Center Phase 1, recorded in Plat Book Z, Page 82, Public Records of Marion County, Florida.

The drainage easements at issue appear to have been established in connection with roadway improvements and do not appear to be related to utilities. However, as part of the plat vacation process, we are required to request letters of no objection from each utility provider within the applicable service area.

Accordingly, enclosed are two corresponding Letters of No Objection for your review and signature. These letters are prerequisites to filing the applications for the partial plat vacations. Also enclosed are copies of the corresponding plats, with the areas at issue and/or applicable legal descriptions highlighted in yellow.

For your reference, we have also included a site map showing the location of the overall 57.45-acre site subject to development, together with a more localized site sketch showing the approximate location of the easements on the site.

Please note that new easements and drainage infrastructure will be established to address runoff that would have previously been handled through the easements proposed to be vacated. Going forward, stormwater and drainage will be addressed through the drainage infrastructure being developed as part of the site improvements for the property.

Please review the enclosed Letters of No Objection and, if acceptable, sign and return each of them to our office. If you have any questions or need additional information, please do not hesitate to contact our office.

RE: Baseline Road Ocala, LLC – Partial Plat Vacation Applications / Drainage Easements

Dear Sir or Madam:

Our office represents Baseline Road Ocala, LLC in connection with the proposed development of the above-referenced property and two proposed partial plat vacations relating to drainage easements created by two separate plats: (i) Industrial 35 Unit 1, recorded in Plat Book X, Page 83, Public Records of Marion County, Florida, and (ii) Beltway Business Center Phase 1, recorded in Plat Book Z, Page 82, Public Records of Marion County, Florida.

The drainage easements at issue appear to have been established in connection with roadway improvements and do not appear to be related to utilities. However, as part of the plat vacation process, we are required to request letters of no objection from each utility provider within the applicable service area.

Accordingly, enclosed are two corresponding Letters of No Objection for your review and signature. These letters are prerequisites to filing the applications for the partial plat vacations. Also enclosed are copies of the corresponding plats, with the areas at issue and/or applicable legal descriptions highlighted in yellow.

For your reference, we have also included a site map showing the location of the overall 57.45-acre site subject to development, together with a more localized site sketch showing the approximate location of the easements on the site.

Please note that new easements and drainage infrastructure will be established to address runoff that would have previously been handled through the easements proposed to be vacated. Going forward, stormwater and drainage will be addressed through the drainage infrastructure being developed as part of the site improvements for the property.

Please review the enclosed Letters of No Objection and, if acceptable, sign and return each of them to our office. If you have any questions or need additional information, please do not hesitate to contact our office.

PETITION TO VACATE A PLAT
OR PORTION OF THE PLAT OF
INDUSTRIAL 35 UNIT 1

Plat Book X Page 83

Whereas, BASELINE ROAD OCALA, LLC, Petitioner, herewith petitions the Board of County Commissioners of Marion County, Florida, in accordance with the provisions of Chapter 177, Florida Statutes, to adopt a Resolution to vacate certain platted lands described as follows, to wit:

SEE ATTACHED EXHIBIT 'A'

Whereas, said Petitioner states and represents to the Board of County Commissioners of Marion County, Florida, that the above platted lands are owned in fee simple except for such dedicated public areas as may therein be included; and

Whereas, said Petitioner presents this Petition to the Board of County Commissioners of Marion County, Florida, complete with proof of publication of the intention to annul the platted lands above described, proof of ownership of the platted lands and certify that the taxes on said platted lands above have been paid;

Now therefore, Petitioner respectfully requests the Board of County Commissioners to vacate the platted lands above described, in accordance with the provisions of Chapter 177, Florida Statutes and to adopt and record a Resolution declaring the same.

OCE: Plat Vacate/Road Closing Review v.1	07/13/2026	07/20/2026	07/21/2026	Requires Re-submit

SUBMITTAL DETAILS

OCE: Plat Vacate/Road Closing Review v.2				
ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
Utilities (OCE Plans) (Utilities)		08/06/2026	07/30/2026	Informational
Comments	Project is within the City of Belleview Utilities service area. Marion County Utilities previously requested a Letter of No Objection from the City of Belleview to be included with the submittal. The letters provided with this submittal have not been signed or completed by the City of Belleview and do not satisfy this requirement.			
	Public water and wastewater utilities are installed along SE 58th Avenue.			

OCE: Plat Vacate/Road Closing Review v.1				
ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
911 Management (DR) (911 Management)	Sarah Gurczynski	07/20/2026	07/14/2026	Approved
Environmental Health (Plans) (Environmental Health)	Evan Searcy	07/20/2026	07/15/2026	Approved
Fire Marshal (Plans) (Fire)	Jonathan Kenning	07/20/2026	07/14/2026	Approved
Growth Services Planning & Zoning (DR) (GS Planning and Zoning)	Erik Kramer	07/20/2026	07/17/2026	Informational
Corrections	Plat Vacation (Resolved) - Corrective Action: Land use is Commerce District. Zoning is Planned Unit Development (Baseline Commerce Center PUD).			
	Growth Services staff does not object to the vacation of the drainage easement, but staff note the following:			
	[1] the property's one time division has been used up. PID 37490-000-03 which is not a part of a platted subdivision originates from PID 37490-000-00, which is the subject property in this plat vacate request. As such, any future subdivisions of the subject parcel will require a formal plat.			
	[2] A revision to the PUD's master plan is required to reflect how the existing plans/conditions have been changed from the original master plan approved under AR 344. - Plat Vacation: Land use and zoning information check.			
Comments	Land use is Commerce District. Zoning is Planned Unit Development (Baseline Commerce Center PUD).			
	Growth Services staff does not object to the vacation of the drainage easement, but staff note the following:			
	[1] The property's one time division has been used up. PID 37490-000-03 which is not a part of a platted subdivision originates from PID 37490-000-00, which is the subject property in this plat vacate request. As such, any future subdivisions of the subject parcel will require a formal plat.

SUBMITTAL SUMMARY REPORT (PlatVacate-001063-2026)

ITEM REVIEW NAME (DEPARTMENT)	ASSIGNED TO	DUE	COMPLETE	STATUS
OCE Property Management (Plans) (Office of the County Engineer)		07/20/2026	07/16/2026	Informational
Comments	Title commitment less than 20 days old at time of submittal. - DR 7/16/26			
OCE Stormwater (Permits & Plans) (Office of the County Engineer)	Alexander Turnipseed	07/20/2026	07/13/2026	Informational
Comments	The applicant is proposing to vacate a portion of parcel 37490-000-00 to replace drainage easements "A" & "B". Per MCPA, there appears to be 0 sf existing impervious coverage on the property. There are Flood Prone Areas on the property. A Major Site Plan or Waiver will be required when the existing and proposed impervious coverage exceeds 9,000 sf.			
OCE Survey (Plans) (Office of the County Engineer)	Theresa Smail	07/20/2026	07/20/2026	Informational
Comments	177.101 Vacation and annulment of plats subdividing land.— (1) Whenever it is discovered, after the plat has been recorded in the public records, that the developer has previously caused the lands embraced in the second plat to be differently subdivided under and by virtue of another plat of the same identical lands, and the first plat was also filed of public record at an earlier date, and no conveyances of lots by reference to the first plat so filed appears of record in such county, the governing body of the county is authorized and directed to and shall, by resolution, vacate and annul the first plat of such lands appearing of record upon the application of the developer of such lands under the first plat or upon application of the owners of all the lots shown and designated upon the second and subsequent plat of such lands, and the circuit court clerk of the county shall thereupon make proper notation of the annulment of such plat upon the face of such annulled plat. (2) Whenever it is discovered that after the filing of a plat subdividing a parcel of land located in the county, the developer of the lands therein and thereby subdivided did cause such lands embraced in said plat, or a part thereof, to be again and subsequently differently subdivided under another plat of the same and identical lands or a part thereof, which said second plat was also filed at a later date; and it is further made to appear to the governing body of the county that the filing and recording of the second plat would not materially affect the right of convenient access to lots previously conveyed under the first plat, the governing body of the county is authorized by resolution to vacate and annul so much of the first plat of such lands appearing of record as are included in the second plat, upon application of the owners and developer of such lands under the first plat or their successors, grantees, or assignees, and the circuit court clerk of the county shall thereupon make proper notation of the action of the governing body upon the face of the first plat. The approval of a replat by the governing body of a local government, which encompasses lands embraced in all or part of a prior plat filed of public record shall, upon recordation of the replat, automatically and simultaneously vacate and annul all of the prior plat encompassed by the replat. (3) The governing bodies of the counties of the state may adopt resolutions vacating plats in whole or in part of subdivisions in said counties, returning the property covered by such plats either in whole or in part into acreage. Before such resolution of vacating any plat either in whole or in part shall be entered by the governing body of a county, it must be shown that the persons making application for said vacation own the fee simple title to the whole or that part of the tract covered by the plat sought to be vacated, and it must be further shown that the vacation by the governing body of the county will not affect the ownership or right of convenient access of persons owning other parts of the subdivision. (4) Persons making application for vacations of plats either in whole or in part shall give notice of their intention to apply to the governing body of the county to vacate said plat by publishing legal notice in a newspaper of general circulation in the county in which the tract or parcel of land is located, in not less than two weekly issues of said paper, and must attach to the petition for vacation the proof of such publication, together with certificates showing that all state and county taxes have been paid. For the purpose of the tax collector's certification that state, county, and municipal taxes have been paid, the taxes shall be deemed to have been paid if, in addition to any partial payment under s. 194.171, the owner of the platted lands sought to be vacated shall post a cash bond, approved by the tax collector of the county where the land is located and by the Department of Revenue, conditioned to pay the full amount of any judgment entered pursuant to s. 194.192 adverse to the person making partial payment, including all costs, interest, and penalties. The circuit court shall fix the amount of said bond by order, after considering the reasonable timeframe for such litigation and all other relevant factors; and a certified copy of such approval, order, and cash bond shall be attached to the application. If such tract or parcel of land is within the corporate limits of any incorporated city or town, the governing body of the county shall be furnished with a certified copy of a resolution of the town council or city commission, as the case may be, showing that it has already by suitable resolution vacated such plat or subdivision or such part thereof sought to be vacated. (5) Every such resolution by the governing body shall have the effect of vacating all streets and alleys which have not become highways necessary for use by the traveling public. Such vacation shall not become effective until a certified copy of such resolution has been filed in the offices of the circuit court clerk and duly recorded in the public records of said county. (6) All resolutions vacating plats by the governing body of a county prior to September 1, 1971, are hereby validated, ratified, and confirmed. Such resolutions shall have the same effect as if the plat had been vacated after September 1, 1971.			
OCE Traffic (Permits & Plans) (Office of the County Engineer)	Sydney Oberdorfer	07/20/2026	07/13/2026	Approved
Utilities (OCE Plans) (Utilities)	Heather Proctor	07/20/2026	07/15/2026	Requires Re-submit
Comments	Project is located within the City of Belleview utility service area. Please provide the Letter of No Objection from the City of Belleview Public Works Division confirming that it has no objections to the proposed plat vacation and that no utility conflicts exist.
