The notice shall state the substance of the proposed ordinance as it affects that property owner and shall set a time and place for a public hearing. Such notice shall be given at least 30 days prior to the date set for the public hearing before the Board, and a copy of such notice shall be kept available for public inspection during the regular business hours at the office of the Planning/Zoning Manager.

- C. An application for rezoning shall not be construed to be, or be processed as, an application for a special use permit or vice versa. However, an applicant may submit applications in the alternative, one being an application for a rezoning, and the other being an application for a special use permit, upon payment of the applicable fee for each type of application. The Board of County Commissioners may consider such alternative applications with respect to the same parcel at the same public hearing. In such case, each alternative application shall be noticed and advertised so that the public will be on notice that the two alternatives will be considered during the same public hearing. Each alternative will receive the appropriate staff analysis and recommendation in a written report, but such analysis and recommendation may be included in a single staff report as long as the two alternatives are clearly distinguished for the reader. Notwithstanding the foregoing, the Marion County Board of County Commissioners shall have the authority to approve a pending zoning application to a lesser intensive zoning classification than the classification applied for at a public hearing without the necessity of the applicant filing either a revised rezoning application or an alternative application for a less intense zoning application.
