Subject: Request for Rezoning from R1 to RR-1 – 14675 SE 70th Avenue Rd / 46163-000-00

Dear Planning & Zoning Director or Appropriate Official,

I am writing to respectfully request the rezoning of my property located at 14675 SE 70th Avenue Rd / 46163-000-00 from R1 (Single-Family Dwelling) to RR-1 (Rural Residential – 1 dwelling unit per acre).

When I purchased this property on September 19 2024, the Marion County Property Appraiser's records indicated that it was zoned for mobile home use. This information, along with the fact that a mobile home was already located on the site, led me to believe that such use was permitted.

After the closing, I discovered that the property's actual zoning is R1, which does not allow mobile homes. This discrepancy has created a hardship and does not reflect the reasonable expectations I had at the time of purchase, based on the County's own published records.

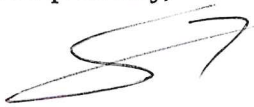

The requested rezoning to RR-1 would:

- Correct a misalignment between official public information and the property's actual zoning.
- Legitimize the existing residential use, including the mobile home currently on the property.
- Align with the character of the surrounding neighborhood, which includes other properties zoned for and occupied by mobile homes.

I am fully prepared to provide any additional documents, attend all required hearings, and work with the Planning & Zoning Department to complete this process.

Thank you for your consideration of this request.

Respectfully,

Gustavo Fernandez
