Dear Chief James Banta,

On behalf of Bradford County Fire Rescue, I would like to extend our sincerest gratitude for your generous offer of 12 Knox Key Secure Vehicle Units to our department. It is with great pleasure that we accept this contribution from Marion County Fire Rescue.

We understand the importance of collaboration and support among fire departments, and we are truly thankful for your willingness to assist us in enhancing our capabilities. Rest assured, these Knox box units will be put to good use, and we are committed to maintaining them in excellent condition.

Please let us know if there are any formalities or procedures, we need to complete to finalize this generous donation. Additionally, if there are any specific guidelines or instructions regarding the use or installation of these units, kindly provide us with the necessary information.

Once again, thank you for your generosity and support. We look forward to further collaboration between our departments in the future.

Regards,

Benjamin Carter
