

**RESOLUTION NO. 24-R-\_\_\_\_\_**

**A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MARION COUNTY, FLORIDA, TO SUPPORT THE SHORT WATER LINE EXTENSION PROGRAM; PROVIDING CERTAIN FINDINGS AND AUTHORITY; ESTABLISHING THE SHORT WATER LINE EXTENSION PROGRAM SERVICE AREA; ESTABLISHING ONE-TIME CAPITAL CONNECTION FEE FOR THE SERVICE AREA; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, on August 17, 2021, the Board of County Commissioners of Marion County, Florida (the “Board”) approved a list of proposed projects and expenditures from the ARPA funds, including \$5 million for the development and execution of a Short Water Line Extension Program (“the Program”) providing subsidies for qualified applicants seeking water line extensions on a first-come, first-served basis; and

**WHEREAS**, on October 18, 2022, the Board approved Ordinance No. 22-43, which among other things, established the basic requirements for the Program; and

**WHEREAS**, while the ARPA funds will provide the initial seed money for the Program, it is anticipated that any lot not yet connected to the System will pay a one-time Capital Connection Fee to fund its portion of the water line extension and those monies will be reinvested into the Program to enable future connections; and

**WHEREAS**, a developed lot is considered to be occupied, have its final inspection or certificate of occupancy, and may be improved by the Program but not yet connected to the System, subject to the Capital Connection Fee; and

**WHEREAS**, the Program requires the Board to establish, by Resolution, a one-time Capital Connection Fee establishing a pro-rata share for parcels connecting single family residences participating in the Program and the payment terms and conditions applicable thereto, which may include differing fees for developed and undeveloped lots and differing fees based on the cost and distance of required extensions; and

**WHEREAS**, on October 18, 2022, during a public hearing, the Board provided direction to consider a cap to the Capital Connection Fee per property, subject to review and change through each Resolution; and

**WHEREAS**, property owner (“Owner”) qualifies for, and has submitted a completed application to support its participation in the Program, herein attached as **Exhibit A**; and

**WHEREAS**, the Capital Connection Fee will be reinvested in the Program to help pay costs of the water line extension program and it is anticipated that the Capital Connection Fee will be determined by apportioning the actual cost of the water line extension among all lots to be served by the water line extension on a pro rata basis; and

**WHEREAS**, the Board desires to establish discrete geographical area(s) of unincorporated Marion County designated by Board resolution as "Short Water Main Extension Program Service Areas," where funding is available to cover the water main extension cost; and

**NOW, THEREFORE, BE IT RESOLVED** by the Board of County Commissioners of Marion County, Florida:

**SECTION 1. RECITALS.** The above recitals are true and correct and are hereby incorporated herein by reference.

**SECTION 2. AUTHORITY.** This resolution is adopted pursuant to the provisions of Chapter 19 – Water and Sewers, Article III. – Water and Wastewater Facilities, Division 5. – Short Water Line Extension Program, of the Code of Ordinances of Marion County, Florida (“the Code of Ordinances”).

**SECTION 3. ESTABLISH THE SHORT WATER LINE EXTENSION PROGRAM SERVICE AREA.** Pursuant to Section 19-218 of the Code of Ordinances, the Board hereby designates the following Short Water Line Extension Program Service Area:

Parcel **#4712-171-046** and surrounding improved parcels of the water main extension herein attached as **Exhibit B**. Sketch is for reference purposes only and supports professionally engineered Issued for Construction (“IFC”) plans on file with County.

**SECTION 4. ESTABLISHING ONE-TIME CAPITAL CONNECTION FEE.**

(A) Pursuant to Section 19-217 of the Code of Ordinances, the one-time Capital Connection Fee will be determined by apportioning the actual cost of this water line extension work using County’s bid pricing, herein attached as **Exhibit C** to be served by the water line extension designated in Exhibit B. In no case shall the pro rata fee be more

than five thousand (\$5,000.00) dollars per lot. It is further noted that additional fees may include:

1. Each qualifying applicant will additionally be responsible for the cost of all On-site facilities as defined in Section 19-122.
2. The applicant must pay all applicable costs and fees for the requested short water line extension which may include, without limitation, tap fees and system development fees as required by the County. All costs and fees are due in accordance with Section 19-217(c) and the County's existing utility regulations.
3. The short water line extension is subject to all applicable federal, state, and local permits and requirements and any required encroachments.

(B) The Capital Connection Fee for this Short Water Line Extension Program Service Area Project **SWL-104** is **\$5,000.00** per lot.

**SECTION 5. EFFECTIVE DATE.** This Resolution shall become effective immediately upon its adoption.

**DULY ADOPTED** in regular session this \_\_\_\_ day of \_\_\_\_\_, 2024.
