Subject: Objection to rezoning land adjacent to my property

I currently own lot 8009-1251--16 And oppose any change to the current zoning adjacent to my property..I bought this land years ago with plans to live there.But prior actions and rezoning spoilt any hope of that.Now a new rezone to more than double height of buildings is diabolical.In fact it will reduce selling price and probably put prospective buyers off.Please put me down as a bigNO

Hope many more reject, this profit before pleasure VENTURE sincerely Neil Rothery
