Alternatively, a waiver to the MSBU would be supported if the applicant provides POA/HOA documents, or an Easement Agreement that include provisions for the construction and maintenance of the common area improvements (i.e. the roads and stormwater controls). Section 3. Liability for Maintenance Assessments. Each Owner of a Tract by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees to pay to the Association an annual assessment (payable in equal monthly installments if the Association so chooses) for any costs and expenses relating in any way to any of the items described in Section 1 above. All such assessments, together with interest, and costs of collection, including, without limitation, reasonable attorneys' fees incurred by the Association incident to the collection of such assessments whether or not judicial proceedings are involved, and appeals; if any, shall constitute a continuing lien upon the Tract against which such assessment is made. Said lien shall be effective from and after the time of recording a claim of lien in the Public Records of Marion County, Florida, and the lien shall continue in effect until all sums secured by the lien shall have been fully paid. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Each such assessment shall also be the personal obligation of the Owner of such Tract at the time the assessment is due and payable. No assessments may be offset by any claims by any Owner against the Association for any reason. While the Declarant is in control of the Association it shall be excused from the payment of assessments related to Tract it owns provided it pays any operating expenses incurred that exceed the assessments receivable from other members and other income of the Association.

Section 4. Delinquent Assessments. If any assessment or installment thereon is not paid within thirty days after the due date, a late fee may be charged by the Association up to twenty-five percent (25%) of the delinquent assessment. Interest shall accrue on any unpaid assessment including the late fee whether or not accelerated, at the highest rate allowed by law.

Section 5. Rights of Association to Collect Delinquent Assessments. Liens for assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. The Association may also sue to recover a money judgment for unpaid assessments against the Owner personally obligated to pay same without waiving the lien securing same.

Section 6. Method of Setting Assessments. Assessments may be initiated, increased and decreased and their method of payment established all as determined by the Association at any meeting called for that purpose all in accordance with Chapter 720, Florida Statutes.

Section 7. Certification of Assessment Liability. Upon demand, the Association shall furnish a certificate in writing signed by an officer of the Association to any Owner liable for an assessment. The certificate shall state whether said assessment has been paid and shall be conclusive evidence of payment of any assessment therein stated to have been paid. The Association shall have the right to charge a reasonable fee for the Certificate of Assessment Liability.

Section 8. Allocation of Assessments Among Tracts. All Assessments pertaining to the Access Easement shall be allocated among the Tract1 through 3 equally. ARTICLE VIII

Amendment

Section 1. Amendment by the Declarant. The Declarant (or the Declarant's assignee) shall have the right to amend this Declaration in any manner the Declarant (or the Declarant's assignee) deems necessary provided the amendment does not unreasonably lower standards of the Covenants contained herein. The conveyance of a Tract to an Owner shall not be deemed an assignment of any of the Declarant's rights reserved under this Declaration. The Declarant shall also have the right to release any Tract from any part of the Covenants which has been violated if the Association, in its sole judgment determines such violation to be a minor or insubstantial violation.

Section 2. Amendments by Association. After the Declarant (or the Declarant's Assignee) no longer owns any Tracts, the Association shall have the right and power of amendment of this Declaration, and such amendment shall not require the joinder of mortgagees or any person other than the members of the Association having an interest in the Properties. Such right to amend shall include without limitation the right (a) to amend these Covenants for the purpose of curing any ambiguity in or to any inconsistency between the provisions contained herein; (b) to include in any contracting or deed or other instrument hereafter made any additional covenants applicable to the Property which do not unreasonably lower standards of the Covenants herein contained; (c) to release any Tract from any part of the Covenants which have been violated if the Association, in its sole judgment determines such violation to be a minor or insubstantial violation; (d) such other amendment or other action as may be decided by the Association. Any amendment by the Association shall be approved by the then Owners of a majority of the Tracts in the subdivision. NOTWITHSTANDING THE FOREGOING, THIS DECLARATION MAY NOT BE TERMINATED OR AMENDED WITHOUT THE WRITTEN CONSENT OF DAVID B. QUANBECK AND ANNE S. LINDBLAD, OR THE SURVIVOR OF THEM, WHICH SHALL NOT BE UNREASONABLY WITHHELD, WHILE EITHER OF BOTH OF THEM OWN PROPERTY CONTIGUOUS TO ANY OF THE TRACTS.

Section 3. Notice of Amendment. Recording of an amendment shall be deemed notice to all Owners of the terms thereof, and all Owners shall be bound by its terms.

ARTICLE IX **Enforceability and Notice**

Section 1. Parties Who May Seek Enforcement. If any person, firm or corporation, or other entity shall violate or attempt to violate any of the provisions of the Declaration, it shall be lawful for the Declarant, any Owner or the Association, (a) to initiate proceedings for the recovery of damages against those so violating or attempting to violate any such provisions; or (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such provisions for the purpose of preventing or enjoining all or any such violations or attempted violations, or seeking any other legal or equitable relief available. Should the Declarant, any Owner or the Association take action to enforce or defend the provisions hereof, its reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal of such judicial proceedings, shall be collectible from the party against whom enforcement is sought. In any proceedings by the Declarant, any Owner or the Association against an Owner, collection of such attorneys' fees may be enforced by any method in this Declaration providing for the collection of an annual assessment or special assessment including, but not limited

to, a foreclosure proceeding against the Owner's Tract. The remedies contained in this provision shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of the Declarant, any Owner or the Association to enforce any covenant or restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior to or subsequent thereof.

Section 2. Enforcement by Southwest Florida Water Management District. The District has the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the Surface Water Management System Facilities, if a permit is ever required.

Section 3. Notice. Any notice required to be sent to any member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as member or Owner on the record of the Association or in the absence of such or in the alternative to the last known address of the Owner as maintained by the office of the Marion County Property Appraiser at the time of such mailing.

These easements and covenants shall run with the title to all of the land contained in OLYMPIC HILL, and will be binding on the Owners of all Tracts, their successors and assigns in title until December 31, 2035 and for successive ten (10) year periods thereafter unless amended or released at that time by written instrument executed by the then Owners of a majority of Owners of Tract in OLYMPIC HILL. Failure of the Association or the Tract Owners, to enforce any of these protective deed covenants and restrictions as set forth herein, shall not nullify any of the covenants and/or restrictions, or in any way be interpreted as a waiver by the Association, Tract or Owners, of the right to object to and enforce by proceeding at law or in equity against any person or persons violating or attempting to violate any of the protective deed covenants and restrictions contained herein.

Section 2. Validity. If any portion of this Declaration is declared enforceable or if the applicability of this Declaration against any person or in any circumstances is held invalid, the validity of the remainder and the applicability shall not be affected thereby. No Owner shall in any way maintain, modify or improve any areas for which the Association has the responsibility for maintenance without the prior written consent of the Association. Each Tract Owner grants the

Association an easement to enter onto a Tract to maintain and repair it if the Owner fails to perform required maintenance within ninety (90) days of the Association's written demand that the Owner perform maintenance. Each Owner agrees to hold the Association, its employees and agents harmless for any maintenance actions taken. Each Owner agrees to reimburse the Association for its costs associated with Tract maintenance. Each Owner agrees that, if not paid within thirty (30) days, the cost of Tract maintenance shall be evidenced by a Special Assessment against the Owner's Tract enforceable in accordance with the provisions this Declaration. The Association may grant Owners extensions of the forgoing deadlines in the event of natural disasters or other events beyond the control of the Owners which prevent timely compliance.

Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Interest shall accrue on any unpaid assessment including the late fee whether or not accelerated, at the highest rate allowed by law.

Section 5. Rights of Association to Collect Delinquent Assessments. Liens for assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. The Association may also sue to recover a money judgment for unpaid assessments against the Owner personally obligated to pay same without waiving the lien securing same.

Section 1. Amendment by the Declarant. The Declarant (or the Declarant's assignee) shall have the right to amend this Declaration in any manner the Declarant (or the Declarant's assignee) deems necessary provided the amendment does not unreasonably lower standards of the Covenants contained herein. The conveyance of a Tract to an Owner shall not be deemed an assignment of any of the Declarant's rights reserved under this Declaration. The Declarant shall also have the right to release any Tract from any part of the Covenants which has been violated if the Association, in its sole judgment determines such violation to be a minor or insubstantial violation.

Section 2. Amendments by Association. Section 2. Validity. If any portion of this Declaration is declared enforceable or if the applicability of this Declaration against any person or in any circumstances is held invalid, the validity of the remainder and the applicability shall not be affected thereby.
