### Description of Request

On July 18, 2023 the Board approved Grant Agreement LPS0081 with the Florida Department of Environmental Protection (FDEP) for constructing Septic to Sewer along State Road 200. The project completion date of this agreement is June 30, 2025. Due to difficulties in coming to agreements with the commercial property owners who would benefit from these connections, the project has not been started, but an agreement with a property owner is in place. Since the work will not be completed under the terms of the original agreement. FDEP has agreed to extend the time an additional 27 months, with a new end date of 09/30/2027. This request is approve this extension.
