Dear Secretary Tyler,

I would like to extend my gratitude and thank the Florida Department of Transportation (FDOT) for your collaborative efforts with planning, funding, development, and future construction of the new Interstate 75 (I-75) interchange at 49<sup>th</sup> Street.

I am pleased to hear that all phases of this project have been fully funded and I am excited for the benefits this new interchange will provide for current and future Marion County residents. I look forward to the successful partnership and continued support from FDOT during future construction phases and into completion for this critical project.

Sincerely,

Mounir Bouyounes, P.E.
