Re: Notice of Suspension

Mr. Sanchez

This letter hereby informs your firm, IES Sales and Service, LLC, that it is suspended from doing business with Marion County for up to a period of three (3) months, will begin June 27, 2021 and a recommendation of debarment will be presented to the Board of County Commissioners.

Your firm is being suspended in accordance with the Marion County Procurement Ordinance for poor work performance in relation to the contract you were awarded for 19B-170, Garbage Compactors and Containers. The excessive delays in supplying product, the lack of communication and the additional time staff spent on this project leaves Marion County no choice but to suspend your firm for the length of time indicated above.

During your suspension, you will not be allowed to bid on any Marion County projects nor will you be able to work as a subcontractor on any County projects. Recommendation for debarment will be presented to the Board of County Commissioners on August 17, 2021. Recommended debarment will be for one (1) year.

Should you have any questions regarding my decision, you may schedule an appointment with me and my staff by contacting (352) 671-8444.

Sincerely,

Susan Olsen
