The failure by CONTRACTOR to give such notice and to give such notice prior to executing the Work shall constitute a waiver of any claim for additional compensation.

1. In connection with any claim by CONTRACTOR against COUNTY for compensation in excess of the Price, any liability of COUNTY for CONTRACTOR's cost shall be strictly limited to direct costs incurred by CONTRACTOR and shall in no event include indirect costs or consequential damages of CONTRACTOR. COUNTY shall not be liable to CONTRACTOR for claims of third parties, including subcontractors, unless and until liability of CONTRACTOR for claims of third parties has been established therefore in a court of competent jurisdiction.

F. Claims for Additional Time – If CONTRACTOR is delayed in progressing any task which at the time of the delay is then critical or which during the delay becomes critical, as the sole result of any act or neglect to act by COUNTY or someone acting in COUNTY's behalf, or by changes ordered in the Work, unusual delay in transportation, unusually adverse weather conditions not reasonably anticipatable, fire or any causes beyond CONTRACTOR's control, then the date for achieving Substantial Completion of the Work shall be extended upon the written notice and claim of CONTRACTOR to COUNTY and the Architect and/or Engineer, for such reasonable time as the Architect and/or Engineer may determine. Any notice and claim for an extension of time by CONTRACTOR shall be made not more than seven (7) days after the occurrence of the event or the first appearance of the condition giving rise to the claim and shall set forth in detail CONTRACTOR's basis for requiring additional time in which to complete the Project. In the

event the delay to CONTRACTOR is a continuing one, only one notice and claim for additional time shall be necessary. If CONTRACTOR fails to make such claim as required in this Subsection, any claim for extension of time shall be waived.

SECTION 12 SUBCONTRACTORS

A. Definition.

A subcontractor is an entity which has a direct contract with CONTRACTOR to perform a portion of the Work.

B. Award of Subcontractors.

1. Upon execution of this Agreement, CONTRACTOR shall furnish COUNTY, in writing, the names of persons or entities proposed by CONTRACTOR to act as a subcontractor on the Project. COUNTY shall promptly reply to CONTRACTOR, in writing, stating any objections COUNTY may have to such proposed subcontractor. CONTRACTOR shall not subcontract with any Party to whom COUNTY has objections.
2. All subcontracts shall afford CONTRACTOR rights against the subcontractor which correspond to those rights afforded to COUNTY against CONTRACTOR herein, including those rights afforded to COUNTY.

SECTION 13 CHANGES IN THE WORK

A. Changes Permitted.

Changes in the Work within the general scope of this Agreement, consisting of additions, deletions, revisions, or any combination thereof, may be ordered without invalidating this Agreement, by Field Order or by Change Order.

B. Field Orders.

The Architect and/or Engineer shall have authority to order minor changes in the Work not involving a change in the Price or in Agreement Time and not inconsistent with the intent of this Agreement. Such changes shall be signed by CONTRACTOR's Superintendent designated in Section "16(O)(2)" below, and shall be binding upon CONTRACTOR. CONTRACTOR shall carry out such Field Orders promptly.

C. "Change Order" Defined.

Change Orders shall mean a written order to CONTRACTOR executed by COUNTY and the Architect and/or Engineer, issued after execution of this Agreement, authorizing and directing a change in the Work or an adjustment in the Price or the Time, or any combination thereof. The Price and the Time may be changed only by Change Order. Changed Work cannot be started until a fully executed Change Order is on file with COUNTY; including but not limited to Change Orders that need approval of COUNTY's Board of County Commissioners. Every Change Order shall be executed on behalf of CONTRACTOR only by that individual signing this Agreement on behalf of CONTRACTOR.

D. Changes in the Unit Prices.

1. If unit prices are provided for in this Agreement, any changes in the unit prices, as set forth on Exhibit A, resulting from a Change Order, shall be determined as follows: (a) by mutual agreement between COUNTY and CONTRACTOR as evidenced by (1) the change in the unit prices being set forth in the Change Order, (2) such change in the unit prices, together with any conditions or requirements related thereto, being initialed by both Parties and (3) CONTRACTOR's execution of the Change Order, or (b) if no mutual agreement occurs between COUNTY and CONTRACTOR, then, as provided below.
2. If no mutual agreement occurs between COUNTY and CONTRACTOR as contemplated above, the change in the unit prices, if any, shall then be determined by the Architect and/or Engineer on

the basis of the reasonable expenditures or savings of those performing, deleting or revising the Work attributable to the change, including, in the case of an increase or decrease in the Price, a reasonable allowance for direct job site overhead and profit. In such case, CONTRACTOR shall present, in such form and with such content as COUNTY or the Architect and/or Engineer requires, an itemized accounting of such expenditures or savings plus appropriate supporting data for inclusion in a Change Order. Reasonable expenditures or savings shall be limited to the following: reasonable costs of materials, supplies, or equipment including delivery, costs, reasonable costs of labor, including social security, old age and unemployment insurance, fringe benefits required by agreement or custom, and workers' compensation insurance, reasonable rental costs of machinery and equipment exclusive of hand tools whether rented from CONTRACTOR or others, reasonable costs of premiums for all bonds and insurance, permit fees, and sales, use or other taxes related to the Work, and reasonable cost of direct supervision and job site field office overhead directly attributable to the change. In no event shall any expenditure or savings associated with CONTRACTOR's home office or other non-job site overhead expense be included in any change in the Price. Pending final determination of reasonable expenditures of savings to COUNTY, payments on account shall be made to CONTRACTOR on the Architect and/or Engineer's Certificate for Payment.

3. If unit prices are provided in this Agreement, and if the quantities contemplated are so changed in a proposed Change Order that application of such unit prices to the quantities of Work proposed will cause substantial inequity to COUNTY or to CONTRACTOR, the applicable unit prices shall be equitably adjusted.

E. Effect of Executed Change Order.

The execution of a Change Order by CONTRACTOR shall constitute conclusive evidence of CONTRACTOR's agreement to this Agreement as thus amended, the Price, Time and the changes in the Work. CONTRACTOR, by executing the Change Order, waives and forever releases any claim against COUNTY for additional time or compensation for matters relating to or arising out of or resulting from the Work included within or affected by the executed Change Order.

F. Notice of Surety; Consent.

CONTRACTOR shall notify and obtain the consent and approval of CONTRACTOR's surety with reference to all Change Orders if such notice, consent or approvals are required by CONTRACTOR's surety or by law. CONTRACTOR's execution of the Change Order shall constitute CONTRACTOR's warranty to COUNTY that the surety has been notified of and consents to have expressly consented thereto. CONTRACTOR shall provide to COUNTY a rider to the original bond as provided by the surety.

SECTION 14 UNCOVERING AND CORRECTING WORK

A. Uncovering Work.

If any of the Work is covered contrary to the Architect and/or Engineer's request or to any provisions of the Contract Documents, it shall, if required by the Architect and/or Engineer or COUNTY, be uncovered for the Architect and/or Engineer's inspection and shall be properly replaced at CONTRACTOR's expense without change in the Time.

B. Correct Work.

1. Any defects or deficiencies in materials or workmanship that are deemed by the Architect and/or Engineer or COUNTY as needing immediate correction shall be addressed within thirty (30) days of written notification. Failure to correct the deficiencies within thirty (30) days will result in the deduction of time against the overall Time for completion.
2. CONTRACTOR shall immediately proceed to correct Work rejected by the Architect and/or Engineer as defective or failing to conform to the Contract Documents. CONTRACTOR shall pay all costs and expenses associated with correcting such rejected Work, including any additional testing and inspections, and reimbursement to COUNTY for the Architect and/or Engineer's services and expenses made necessary thereby.

C. Warranty.

If within one (1) year after the date of COUNTY's issuance of final payment to CONTRACTOR any of the Work is found to be defective or not in accordance with the Contract Documents, CONTRACTOR shall correct it promptly upon receipt of written notice from COUNTY. This obligation shall survive final payment by COUNTY and termination of this Agreement. With respect to Work first performed and completed after Substantial Completion, this one (1) year obligation to specifically correct defective and nonconforming Work shall be extended by the period of time which elapses between Substantial Completion and completion of the subject Work.

D. One Year Duty.

Nothing contained in this Section shall establish any period of limitation with respect to other obligations which CONTRACTOR has under the Contract Documents. Establishment of the one year time period relates only to the duty of CONTRACTOR to specifically correct the Work.

E. County May Accept Defective or Nonconforming Work.

If COUNTY chooses to accept defective or nonconforming Work, COUNTY may do so. In such event, the Price shall be reduced by the greater of (a) the reasonable cost of removing and correcting the defective or nonconforming Work, and (b) the difference between the fair market value of the Project as constructed and the fair market value of the Project had it not been constructed in such a manner as to include defective or nonconforming Work. If the remaining portion of the unpaid Price, if any, is insufficient to compensate COUNTY for its acceptance of defective or nonconforming Work, CONTRACTOR shall, upon written demand from COUNTY, pay COUNTY such remaining compensation for accepting defective or nonconforming Work.

**SECTION 15
AGREEMENT TERMINATION**

A. TERMINATION.

Either Party, upon determination that the other Party has failed or refused to perform or is otherwise in breach of any obligation or provision under this Agreement or the Contract Documents, may give written notice of default to the defaulting Party in the manner specified for the giving of notices herein. Termination of this Agreement by either Party for any reason shall have no effect upon the rights or duties accruing to the Parties prior to termination.

1. Termination by COUNTY For Cause.

- a. If CONTRACTOR persistently or repeatedly refuses or fails to prosecute the Work in a timely manner, supply enough properly skilled workers, supervisory personnel or proper equipment or materials, or if it fails to make prompt payment to Subcontractors or for materials or labor, or persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, or otherwise is guilty of a substantial violation of a material provision of this Agreement, then COUNTY may provide written notice to CONTRACTOR, without prejudice to any other right or remedy, terminate the employment of CONTRACTOR and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon owned by CONTRACTOR any may finish the Work by whatever methods it may deem expedient. In such case, CONTRACTOR shall not be entitled to receive any further payment until the Work is finished.
- b. In the event the employment of CONTRACTOR is terminated by COUNTY for cause and it is subsequently determined by a Court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a termination for convenience and the referenced provisions shall apply.
- c. COUNTY has the right to reject participation in this Agreement from anyone who has had previous business with COUNTY and therein failed to comply with the contract governing the project, who has been in litigation with COUNTY, or who has failed to obey the laws.

2. Termination by COUNTY For Convenience

- a. COUNTY reserves the right to terminate performance under this Agreement by CONTRACTOR for convenience. COUNTY shall give written notice of such termination to CONTRACTOR to specify when termination becomes effective.
- b. CONTRACTOR shall incur no further obligations in connection with the Work and CONTRACTOR shall stop Work when such termination becomes effective. CONTRACTOR shall also terminate outstanding orders and subcontractors. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and/orders. COUNTY may direct CONTRACTOR to assign CONTRACTOR's right, title and interest under terminated orders or subcontracts to COUNTY or its designee.
- c. CONTRACTOR shall transfer title and deliver to COUNTY such completed or partially completed Work and materials, equipment, parts, fixtures, information and contract rights as CONTRACTOR may have.
- d. CONTRACTOR shall submit a termination claim to COUNTY and the Architect and/or Engineer specifying the amounts due because of the termination for convenience together with costs, pricing or other data required by the Architect and/or Engineer. If CONTRACTOR fails to file a termination claim within one (1) year from the effective date of termination, COUNTY shall pay CONTRACTOR, an amount derived in accordance with the Subsection below.
- e. COUNTY and CONTRACTOR may agree to the compensation, if any, due to CONTRACTOR hereunder.
- f. Absent agreement to the amount due to CONTRACTOR, COUNTY shall pay CONTRACTOR the following amounts:
 - (1) Contract prices for labor, materials, equipment and other services accepted under this Agreement.
 - (2) Reasonable costs incurred in preparing to perform and in performing the terminated portion of the Work, and in terminating CONTRACTOR's performance, plus a fair and reasonable allowance for overhead and profit thereon (such profit shall not include anticipated profit or consequential damages); provided however, that if it appears that CONTRACTOR would have not profited or would have sustained a loss if the entirety of this Agreement would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss, if any.
 - (3) Reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders. These costs shall not include amounts paid in accordance with other provisions hereof. This total sum to be paid CONTRACTOR shall not exceed the total Agreement Price, as properly adjusted, reduced by the amount of payments otherwise made, and shall in no event include duplication of payment.

3. For Loss of Funding/Cancellation for Unappropriated Funds.

CONTRACTOR acknowledges that during any fiscal year COUNTY shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Consequently, any agreement, verbal or written, COUNTY may make in violation of this fiscal limitation is null and void, and no money may be paid on such agreement. COUNTY may enter into agreements whose duration exceeds one year, however any such agreement shall be executory only for the value of the services to be rendered which COUNTY agrees to pay as allocated in its annual budget for each succeeding fiscal year. Accordingly, COUNTY's performance and obligation to pay CONTRACTOR under this Agreement is contingent upon annual appropriations being made for that purpose. If during the term of this Agreement COUNTY does not make an annual appropriation necessary to continue its performance under this Agreement, then this Agreement shall terminate upon the expiration date. The Parties will execute an amendment to this Agreement that confirms any termination required by this Section.

**SECTION 16
MISCELLANEOUS**

 - (k) To comply with the terms of this Employment Eligibility Verification provision is made an express condition of this Agreement and COUNTY may treat a failure to comply as a material breach of this Agreement.

G. FORCE MAJEURE.

Neither CONTRACTOR nor COUNTY shall be considered to be in default in the performance of its obligations under this Agreement, except obligations to make payments with respect to amounts already accrued, to the extent that performance of any such obligations is prevented or delayed by any cause, existing or future, which is beyond the reasonable control and not a result of the fault or negligence of, the affected Party (a "Force Majeure Event"). If a Party is prevented or delayed in the performance of any such obligations by a Force Majeure Event, such Party shall immediately provide notice to the other Party of the circumstances preventing or delaying performance and the expected duration thereof.
