SITE LEASE AGREEMENT

This Site Lease Agreement ("Agreement") is entered into on 10/28/2024, 2024, between Fig Lake Preserve, LLLP, a Florida limited liability limited partnership ("LESSOR") and Gulfstream Towers Holding Company, LLC, a Florida limited liability company ("LESSEE"). LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party".

For good and valuable consideration in the amount of \$10.00, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Site. LESSOR is the owner of a parcel of land located at SE 135th Street (Silver Lake Road), Marion County, Florida, Parcel ID: 48512-000-00, as more particularly described in **Exhibit A** annexed hereto (the "Land"). LESSOR leases to LESSEE and LESSEE leases from LESSOR, a portion of the Land consisting of approximately 4,900 square feet (the "Site"), together with non-exclusive easement(s) for reasonable access, fall zone and utilities, as more particularly described in **Exhibit B** annexed hereto.

2. Use. The Site will be used by LESSEE for the construction, installation, operation, maintenance, repair, replacement or removal of, at its expense, a communication tower facility and uses incidental thereto, including, without limitation, monopole tower and foundation, antennas, cables, cabinets, shelters, utility equipment, conduit, back-up power sources (including generators and fuel storage tanks) and related fixtures ("Facilities") [for clarity, a monopole tower is the only type of tower that may be constructed, a lattice type tower may not be constructed on the Site]. LESSEE will use the Site and Facilities to sublease tower and ground space to wireless communication companies for their respective networks. LESSEE will have access to the Site 24 hours a day, 7 days a week, on foot or motor vehicle, over or along a non-exclusive access easement extending from the nearest public right-of-way to the Site. LESSEE'S non-exclusive utility easement(s) will provide for the installation and maintenance of utility wires, poles, cables, conduits, and pipes over, under, or along said easement(s) from the Site to a location determined by the servicing utility. LESSEE will provide LESSOR with a Florida licensed survey of the proposed Site and easements for LESSOR'S sole approval, said approval not to be unreasonably withheld, conditioned or delayed. LESSOR will have the right to relocate LESSEE'S access and utility easements or any part thereof, to an alternate location(s) on the Land; provided, however, that the relocation(s) will: (a) not result in any interruption of LESSEE'S access or utilities to the Site; (b) be LESSOR'S sole cost and expense and (c) be surveyed by LESSEE'S Florida licensed surveyor, at LESSEE'S expense, at which time LESSOR and LESSEE will execute an amendment to this Agreement evidencing the same, with LESSEE recording a memorandum of said Agreement in the Public Records of Marion County, Florida.

3. Term and Renewal. The initial term of this Agreement ("Initial Term") is 5 years and shall commence upon the date of execution by both Parties ("Commencement Date"). LESSEE shall have the right to extend this Agreement for 9 additional 5-year terms (each a "Renewal Term") on the same terms and conditions as set forth herein. This Agreement shall automatically renew for each successive Renewal Term unless LESSEE provides LESSOR written notice of the intention not to renew the Agreement at least 90 days prior to the expiration of the then current term.

4. Rent.

LESSOR agrees to provide to LESSEE certain documentation required by LESSEE in connection with the payment of rent, including without limitation; (a) documentation acceptable to LESSEE evidencing LESSOR's good and sufficient title to or interest in the Land; and (b) an IRS Form W-9 for any party to whom rent payments are to be made pursuant to this Agreement. Delivery of such documentation to LESSEE shall be a prerequisite for the payment of any rent by LESSEE and notwithstanding anything to

Site Number: FL303
Site Name: East Lake Weir

the contrary herein, LESSEE shall have no obligation to make any rent payments until such documentation has been supplied to LESSEE as provided herein.

Within 15 days of obtaining an interest in the Land or this Agreement, any assignee(s), transferee(s) or other successor(s) in interest to LESSOR shall provide LESSEE with the requested documentation in the manner set forth in the preceding paragraph. Delivery of such documentation to LESSEE by any assignee(s), transferee(s) or other successor(s) in interest to LESSOR shall be a prerequisite for the payment of any rent by LESSEE to such party and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rent payments to any assignee(s), transferee(s) or other successor(s) in interest to LESSOR until such documentation has been supplied to LESSEE as provided herein. Upon agreement of the Parties, LESSEE may pay rent by electronic funds transfer.

5. Authority, Title and Quiet Enjoyment. LESSOR represents and warrants to LESSEE, as of the Commencement Date of this Agreement and throughout the Initial Term and each Renewal Term that; (a) LESSOR has full right, power and authority to enter into, execute and perform this Agreement and that no consent from any other person or entity is necessary; (b) LESSOR has good and unencumbered fee title to the Land, free and clear of any liens, judgments or impediments of title; (c) there are no covenants, easements or restrictions which would adversely affect or prevent the use of the Site by LESSEE; (d) the execution and performance of this Agreement will not violate any laws, ordinances, covenants, or the provisions of any other agreement binding on LESSOR; (e) LESSEE may obtain title insurance on its interest in the Site and LESSOR agrees to execute such documents as the title company may reasonably require in connection therewith; (f) LESSEE is entitled to access the Site at all times and to the quiet enjoyment of the Site so long as LESSEE is not in default beyond the expiration of any applicable grace or cure period; and (g) LESSOR shall not have unsupervised access to the Site or to the Facilities.

6. Assignment and Subleasing. LESSEE shall have the right to assign or otherwise transfer this Agreement upon written notice to LESSOR, provided, however, that the proposed assignee assumes all of LESSEE'S obligations herein and provides written confirmation of assumption to LESSOR. Upon such assignment and written assumption, LESSEE shall be relieved of all liabilities and obligations hereunder and LESSOR shall look solely to the assignee for performance under this Agreement.

LESSEE shall have the right to sublease the Site upon written notice to LESSOR. Any sublease that is entered into by LESSEE shall be subject to the provisions of this Agreement and shall be binding upon the successors, assigns, heirs and legal representatives of the respective Parties thereto.

LESSOR and LESSEE shall have the right, upon written notice to the other, to grant a security interest in this Agreement (in regard to LESSEE, the Facilities) and may collaterally assign this Agreement (in regard to LESSEE, the Facilities) to any mortgagees or holders of security interests, including their successors or assigns (collectively "Secured Parties"). In such event, LESSOR and LESSEE shall execute such consent to leasehold financing as may be required by Secured Parties.

7. Notices. All notices, requests, demands and other communications shall be in writing and are effective 3 days after deposit in the U.S. mail, certified and postage paid, or upon receipt if personally delivered or sent by overnight delivery via a nationally recognized courier to the address set forth below. LESSOR and LESSEE may from time to time designate any other address for this purpose by providing written notice to the other Party.

LESSOR: Fig Lake Preserve, LLLP
1011 SE 5th Street
Ocala, FL 34471

LESSEE: Gulfstream Towers
127 W. Fairbanks Avenue, #469
Winter Park, FL 3278

8. Improvements, Maintenance and Removal. LESSEE may, at its expense, make such improvements at the Site, as it deems necessary from time to time for the operation of the Facilities. LESSEE shall have the right to replace, repair, add or otherwise modify the Facilities or any portion thereof at any time during the term of this Agreement. LESSEE shall cause all construction to occur lien-free and in compliance with all applicable laws and ordinances. All improvements shall be at the discretion and option of LESSEE and LESSOR acknowledges that it will neither interfere with any aspects of construction nor attempt to direct construction personnel as to the method of installation of the Facilities. LESSEE'S Facilities shall remain the exclusive personal property of LESSEE and shall not be considered fixtures. LESSOR hereby waives any and all lien rights it may have, statutory or otherwise, concerning the Facilities and improvements or

Site Number: FL303
Site Name: East Lake Weir

any portion thereof. LESSEE shall have the right to remove the Facilities and improvements at any time during the term of this Agreement and upon expiration or termination thereof and the Site is restored.

LESSEE shall, at its expense, maintain the Facilities and any other improvements installed by LESSEE at the Site, in proper operating and reasonably safe condition; provided, however if any such repair or maintenance is required due to the acts of LESSOR, its agents, invitees, or employees, LESSOR shall reimburse LESSEE for the reasonable costs incurred by LESSEE to restore the damaged areas to the condition which existed immediately prior thereto.

LESSEE, within 180 days of expiration or termination of this Agreement, will remove its Facilities and improvements (except footings) and will restore the Site to substantially the condition existing on the Commencement Date, except for ordinary wear and tear and casualty loss. If such time for removal causes LESSEE to remain on the Site after expiration or termination of this Agreement, LESSEE shall pay rent at the then existing monthly rate until such time as the removal of the Facilities are complete.

9. Government Approvals. LESSEE's ability to use the Site is contingent upon LESSEE obtaining all required zoning approvals, permits and other approvals (collectively " Approvals") that may be required by any governmental authority. LESSOR shall cooperate with LESSEE in its effort to obtain such Approvals and shall take no action which would adversely affect the status of the Land or Site with respect to the proposed use thereof by LESSEE. In the event that (a) any applications for such Approvals should be finally rejected; (b) any Approvals issued to LESSEE are canceled, expires, lapses, or is otherwise withdrawn or terminated by any governmental authority; (c) LESSEE determines that such Approvals may not be obtained in a timely manner; (d) LESSEE determines that the Site is no longer technically compatible for its use; or (e) LESSEE, in its sole discretion, determines that it will be unable to use the Site for its intended purposes, LESSEE shall have the right to terminate this Agreement by providing written notice to LESSOR. Upon such termination, this Agreement shall be of no further force or effect except to the extent of the representations, warranties and indemnities made by each Party to the other hereunder. All rent paid to said termination date shall be retained by LESSOR, unless such termination is due to LESSOR'S failure of proper ownership or authority, or such termination is a result of LESSOR'S default.

10. Interference. LESSEE will not install or allow any equipment to be installed that causes interference to any equipment of LESSOR which existed on the Land prior to the Commencement Date of this Agreement. In the event any after-installed equipment causes such interference, and after LESSOR has notified LESSEE in writing of such interference, LESSEE shall take all reasonable steps necessary to correct and eliminate the interference, including but not limited to, powering down such equipment and later powering up such equipment for intermittent testing. In no event will LESSOR be entitled to terminate this Agreement or relocate the equipment so long as LESSEE is making a good faith effort to remedy the interference issue. Likewise, LESSOR will not install or allow any equipment to be installed that causes interference to any then existing equipment of LESSEE or its sublessees. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Section and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance and/or the right to terminate this Agreement immediately upon written notice.

11. Utilities. LESSEE shall have the right to install utilities on the Site or improve the present utilities on the Land for its proposed use. LESSEE will pay for all utilities used by it at the Site. LESSOR agrees to cooperate with LESSEE in LESSEE'S efforts to obtain utilities from a location provided by the servicing utility, including signing any easement or other instrument reasonably required by the servicing utility at no cost to the LESSOR.

12. Default and Remedies. If either Party is in default under this Agreement for a period of (a) 15 days following receipt of notice from the non-defaulting Party with respect to a default which may be cured solely by the payment of money, or (b) 30 days following receipt of notice from the non-defaulting Party with respect to a default which may not be cured solely by the payment of money, then, in either event, the non-defaulting Party may pursue any remedies available to it against the defaulting Party under applicable law, including, but not limited to, the right to terminate this Agreement. If the non-monetary default may not reasonably be cured within a 30-day period, this Agreement may not be terminated if the defaulting Party commences action to cure the default within such 30-day period and thereafter continuously and diligently pursues the cure to completion.

Site Number: FL303
Site Name: East Lake Weir

Upon a default, the non-defaulting Party may at its option, but without obligation to do so, perform the defaulting Party's duty or obligation on the defaulting Party's behalf. The reasonable and actual costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party within 30 days following receipt of an invoice. In the event of a default by either Party with respect to a material provision of this Agreement, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate the Agreement and/or pursue any remedy now or hereafter available to the non-defaulting Party under the laws or judicial proceedings of the State of Florida. Notwithstanding the foregoing, if LESSOR does not pay LESSEE in full, within 30 days of its receipt of an invoice setting forth the amount due from LESSOR, LESSEE may offset the amount due against all fees due and owing to LESSOR until the full amount is fully reimbursed to LESSEE.

13. Indemnity. Each Party shall indemnify and hold the other harmless against any and all claims, damages, costs and expenses (including reasonable attorney's fees) resulting from or arising out of the ownership, use and/or occupancy of the Site by the indemnifying Party, its employees, agents, contractors, licensees, tenants and/or subtenants, except to the extent such claims or damages may be due to or caused by the negligence or willful misconduct of the other Party, or its employees, agents, contractors, licensees, tenants and/or subtenants. LESSEE shall not be responsible to LESSOR, or any third party, for any claims, damages, costs or expenses (including fines and penalties) attributable to any pre-existing violations of applicable codes, statutes or other regulations governing the Land. The indemnity obligations under this Section will survive termination of this Agreement.

14. Insurance. LESSEE will maintain commercial general liability insurance, with limits of not less than \$1,000,000 combined single limit per occurrence for bodily injury and property damage liability. Each Party hereby releases the other from liability and waives its right of recovery against the other (and their successors or assigns) for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, neither Party's insurance company shall have a subrogated claim against the other.

15. Subordination and Non-Disturbance. This Agreement is subordinate to any mortgage or deed of trust now of record against the Site. However, within 60 days of full execution of this Agreement, LESSOR will obtain a non-disturbance agreement reasonably acceptable to LESSEE from the holder of any such mortgage or deed of trust, failing of which, LESSEE may terminate this Agreement by providing written notice to LESSOR.

16. Taxes. LESSEE will be responsible for payment of all personal property taxes, real property taxes or other fees and assessments directly attributed to and arising solely from its use of the Site during the term of this Agreement. LESSEE will pay LESSOR any such increase in personal property taxes, real property taxes or other fees and assessments within 60 days after receipt of satisfactory documentation indicating LESSEE'S share of such assessment and payment by LESSOR.

LESSOR will pay when due all other personal property taxes, real property taxes or other fees and assessments attributable to the Land, on which the Site is located. In the event that LESSOR fails to pay any such personal property taxes, real property taxes or other fees and assessments, LESSEE shall have the right, but not the obligation, to pay such owed amounts and deduct them from rent amounts due under this Agreement. If LESSOR receives notice of any personal property taxes, real property taxes or other fees and assessments against LESSOR, which may affect LESSEE and is directly attributable to LESSEE'S use of the Site, LESSOR shall provide timely notice of the assessment to LESSEE sufficient to allow LESSEE to consent to or challenge such assessment, whether in a court, administrative proceeding, or other venue, on behalf of LESSOR and/or LESSEE. Further, LESSOR shall provide to LESSEE any and all documentation associated with such assessment and shall execute any and all documents reasonably necessary to effectuate the intent of this Section.

17. Hazardous Substances. LESSOR represents that it has no knowledge of any substance, chemical or waste (collectively, "Hazardous Substance") on the Land that is identified as hazardous, toxic or dangerous in any applicable federal, state or local law or regulation. LESSOR and LESSEE will not introduce or use any such Hazardous Substance on the Land in violation of any applicable law. Each Party agrees to defend, indemnify and hold harmless the other from and against any and all administrative and judicial actions and rulings, claims, causes of action, demands and liability including, but not limited to,

Site Number: FL303
Site Name: East Lake Weir

damages, costs, expenses, assessments, penalties, fines, losses, judgments and reasonable attorney fees that the indemnitee may suffer or incur due to the existence of any Hazardous Substances on the Land or the migration of any Hazardous Substance to other land or the release of any Hazardous Substance into the environment, that relate to or arise from the indemnitor's activities on the Land. The indemnifications in this Section specifically include, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any governmental authority. This Section shall survive the termination or expiration of this Agreement.

18. Rights Upon Sale. LESSOR may not, during the term of this Agreement (i) sell or otherwise transfer to a third party all or any portion of the Land or (ii) grant to a third party by easement or other legal instrument an interest in all or any portion of the Land, if such sale, transfer or grant is for the purpose of owning, leasing, licensing, operating, maintaining or managing communications facilities and/or the leases, licenses, agreements and easements used in connection therewith. Notwithstanding the foregoing, LESSOR may, during the term of this Agreement (i) sell or otherwise transfer to a third party all or any portion of the Land or (ii) grant to a third party by easement or other legal instrument an interest in all or any portion of the Land, with or without an assignment of this Agreement to such third party, provided that such sale or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder. LESSOR shall not be released from its obligations to LESSEE under this Agreement, and LESSEE shall have the right to look to LESSOR and the third party for the full performance of this Agreement.

19. Right of First Refusal. If at any time during the term of this Agreement, LESSOR receives a bona fide written offer from a third party (the "Offer") to sell, assign, convey, lease, factor or otherwise transfer or create any interest in the current or future rent, this Agreement, the Site, or any portion thereof, which LESSOR desires to accept, LESSOR shall first give LESSEE written notice (including a copy of the proposed contract) of such Offer prior to becoming obligated under such Offer, with such notice giving LESSEE the right to acquire the interest described in the Offer on the terms set forth in the Offer. LESSEE shall have a period of thirty (30) days after receipt of LESSOR'S notice and terms to exercise LESSEE'S right of first refusal by notifying LESSOR in writing. If LESSEE has not exercised its right of first refusal in writing to LESSOR within such thirty (30) day period, the terms of the Offer will be deemed rejected.

20. Casualty. If the Site or Facilities are destroyed or damaged so as to, in LESSEE'S reasonable judgment, substantially and adversely affect the effective use of the Facilities, LESSEE may terminate this Agreement upon 15 days prior written notice to LESSOR and all rights and obligations of the Parties shall cease. Any such notice of termination shall cause this Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Agreement and the Parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Agreement.

21. Condemnation. In the event of a condemnation of all or any portion of the Site or Facilities so as to, in LESSEE'S reasonable judgment, substantially and adversely affect the effective use of the Facilities, LESSEE may terminate this Agreement within 15 days of the date the condemning authority takes title or possession, whichever occurs first. LESSEE may, on its own behalf, make a claim in any condemnation proceeding involving the Site for losses related to the Facilities, its relocation costs, its damages and its leasehold interest. Any such notice of termination shall cause this Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Agreement and the Parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Agreement.

22. Miscellaneous. (a) This Agreement shall be binding upon and inure to the benefit of the Parties, their respective heirs, successors, executors, administrators and assigns; (b) this Agreement is governed by the laws of the State of Florida; (c) Lessee may record a Memorandum of this Agreement in the form of **Exhibit C** annexed hereto; (d) this Agreement (including the Exhibits) constitutes the entire agreement between the Parties and supersedes all prior written and verbal agreements, representations, promises or understandings between the Parties. Any amendments to this Agreement must be in writing and executed by both Parties; (e) in the event any provision of this Agreement is found to be invalid or unenforceable, such finding shall not affect the validity and enforceability of the remaining provisions of this Agreement; (f) the failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement

Site Number: FL303
Site Name: East Lake Weir

or to exercise any of its rights under the Agreement, shall not waive such rights and such Party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Agreement, in law or in equity; (g) the prevailing Party in any action or proceeding in court or mutually agreed upon arbitration proceeding to enforce the terms of this Agreement is entitled to receive its reasonable attorneys' fees and other reasonable enforcement costs and expenses from the non-prevailing Party; (h) this Agreement is not and shall not be binding on either Party until and unless it is fully executed by both Parties; and (i) this Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument.

23. No Lien. Under Section 713.10, Florida Statutes, the interests of LESSOR in the Site shall not be subject to liens for any improvements made by or on behalf of LESSEE and it is specifically provided that neither LESSEE nor any one claiming by, through or under LESSEE, including, without limitation, contractors, subcontractors, materialmen, mechanics and/or laborers, shall have any right to file or place any mechanics' or materialmen's liens of any kind whatsoever upon the Site; and any such liens are hereby specifically prohibited. All parties with whom Tenant may deal are put on notice that LESSEE has no power to subject LESSOR'S interest to any mechanics' or materialmen's lien of any kind or character, and all such persons so dealing with LESSEE must look solely to the credit of LESSEE, and not to LESSOR'S said interest or assets.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date set forth above.
