Subject: Letter of Intent approval for 2025 Chevy Silverado 2500 Crew Cab

Mounir,

Lisa spoke to you on Wednesday about a vehicle purchase and asked me to send this e-mail to you with the attached quote and funds available for approval.

Fleet followed up with Alan Jay Fleet Sales regarding the 2025 Chevy Silverado 2500 Crew Cab that PSC received a quote for back in January. They've confirmed Alan Jay will honor the original quoted price of \$55,065, provided we place the order within the next two weeks.

Unfortunately, this doesn't allow enough time to go to the Board for approval beforehand. To move forward within the required timeframe, Fleet will need to send a letter of intent to the dealer so the order can be placed before the order window closes for the 2025 model. The purchase will then be presented to the Board for approval at their next scheduled meeting.

Please let me know if you're comfortable with us proceeding this way.

Thank You,

Shari Chinevere
