BETWEEN
THE STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
AND

This **AGREEMENT**, made and entered into _____,
by and between the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION (hereinafter
referred to as the "DEPARTMENT") and the MARION COUNTY, (hereinafter referred to as the
"LOCAL GOVERNMENT"),

WITNESSETH:

WHEREAS, the Parties have been granted specific legislative authority to enter into this
Agreement pursuant to Section 339.12, Florida Statutes; and

WHEREAS, the LOCAL GOVERNMENT, by Resolution, a copy of which is attached
hereto as Exhibit "B", and made a part hereof, has authorized its officers to execute this
Agreement on its behalf; and

WHEREAS, the DEPARTMENT is prepared, in accordance with its Adopted Five Year
Work Program, to undertake the project described as: "Interstate 75 (State Road 93) at NW 49th
Street (from end of NW 49th Street to end of NW 35th Street)", said project being known as
Financial Project Number (FPN) 435209-1-52-01, hereinafter referred to as the "Project"; and

WHEREAS, the Project is not revenue producing and is contained in the Adopted Work
Program; and

WHEREAS, the implementation of the Project is in the interests of both the
DEPARTMENT and the LOCAL GOVERNMENT and it would be most practical, expeditious,
and economical for the LOCAL GOVERNMENT to provide the funds as a: contribution towards
the construction of a diverging diamond interchange at Interstate 75 and NW 49th Street, in
Fiscal Year 2024/2025, said Project being known as FPN 435209-1-52-01, and said
improvements shall hereinafter be referred to as the "Additional Improvements"; and

WHEREAS, in order to maintain uniformity throughout the Project and to provide for the
Additional Improvements in a cost-effective manner, the LOCAL GOVERNMENT desires to

have said Additional Improvements made a part of the Project and to provide funding to the DEPARTMENT to be used for the Additional Improvements as described in "Exhibit A";

NOW, THEREFORE, in consideration of the mutual benefits to be derived from the joint participation of this Agreement, the parties agree as follows:

1. The term of this Agreement shall begin upon the date of signature of the last party to sign and shall remain in full force and effect through completion of all services required of the LOCAL GOVERNMENT. The DEPARTMENT may, at any time and at any stage, amend or terminate the Project in whole or in part if the DEPARTMENT determines that such action is in the best interests of the public.

2. The DEPARTMENT shall cause the Additional Improvements described in Exhibit "A" to be incorporated into the DEPARTMENT'S plans for the Interstate 75 (State Road 93) at NW 49th Street (from end of NW 49th Street to end of NW 35th Street) project and to be constructed as a part of said Project.

3. The DEPARTMENT shall perform necessary preliminary engineering, prepare any and all design plans, acquire all necessary right-of-way, perform the construction, provide all necessary engineering supervision, and otherwise perform all other necessary work, all as may be applicable for the Project as previously defined. The Project as previously defined may include some or all of the foregoing activities. Nothing in this Agreement may be construed as requiring the DEPARTMENT to perform any activity which is outside the scope of the Project as previously defined. Except as specifically stated otherwise in this Agreement, all such activities shall be performed by such entities, at such times, in such manner, under such conditions, and pursuant to such standards as the DEPARTMENT, in its sole discretion, deems appropriate. The LOCAL GOVERNMENT shall not have any jurisdiction or control over the DEPARTMENT'S activities, except as specifically stated in this Agreement. The LOCAL GOVERNMENT shall be entitled to be advised of the progress of the Project at reasonable intervals upon request.

4. Contribution by the LOCAL GOVERNMENT of the funds for the construction phase of the Project shall be made as follows:

(A) The DEPARTMENT'S current estimate of cost for the Additional Improvements is **\$94,624,193.00 (Ninety-Four Million Six Hundred Twenty-Four Thousand One Hundred Ninety-Three Dollars and No/100)**. The DEPARTMENT'S performance and obligation to construct the Project is contingent upon an annual appropriation by the Florida Legislature. The parties agree that in the event funds are not appropriated to the DEPARTMENT for the Project, this Agreement may be terminated, which shall be effective upon the DEPARTMENT giving written notice to the LOCAL GOVERNMENT to that effect.

(B) The LOCAL GOVERNMENT agrees that it will, **within at least fourteen (14) calendar days of the execution of this Agreement**, furnish the DEPARTMENT a lump sum contribution in the amount of **\$8,419,860.00 (Eight Million Four Hundred Nineteen Thousand Eight Hundred Sixty Dollars and No/100)** to be used for the estimated Project cost for locally funded project number 435209-1-52-01. The DEPARTMENT may utilize this contribution for payment of the cost of the Project.

(C) If the actual cost of the Additional Improvements is less than the funds provided, the excess will be applied to other phases on the Project.

(D) The payment of funds under this Locally Funded Agreement will be made directly to the DEPARTMENT for deposit.

(E) The DEPARTMENT and the LOCAL GOVERNMENT agree that the lump sum contribution shall be an asset of the DEPARTMENT and that it constitutes a full and final payment for the cost of the work, without any requirement for a subsequent accounting for the use of the contribution.

8. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof, and incorporates and includes all proper negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein. The parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. 9. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Florida. Any provision herein determined by a court of competent jurisdiction, or any other legally constituted body having jurisdiction, to be invalid or unenforceable shall be severable and the remainder of this Agreement shall remain in full force and effect, provided that the invalidated or unenforceable provision is not material to the intended operation of this Agreement.

(B) The LOCAL GOVERNMENT shall expressly require any contractors and subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the contractor/subcontractor during the contract term.
