Re: Kendrick Baptist Church

To the Board,

As owners of the parcel abutting the Kendrick Baptist Church property where they intend to build their new worship hall we have no objection to this construction and their overall expansion.

Furthermore, we see no need for any type of wall or opaque fence between our properties. The existing vegetation provides enough buffering and will be sufficient.

Should you like to discuss this further please do not hesitate to contact me at 352-260-8223.
