**NOTICE OF VIOLATION**

On October 7, 2025, at 1:37-3:10 p.m., an inspection was made of your property located at 10750 SW 105TH ST OCALA, in Marion County. This inspection revealed a violation of Marion County Land Development Code. Specifically noted: Red dump truck park in the left side of the property.

Ø Marion County Land Development Code, Article 4, Division 3, Section 4.3.21, Parking of commercial vehicles, prohibits parking or storing a commercial vehicle in excess of 16,000 lbs. (GVW) in any public or private right-of-way, or any residentially or agriculturally zoned classifications (including mobile home and RV parks). Cease parking/storing the commercial vehicle(s) in violation of the ordinance until you have acquired an approved temporary use permit or special use permit from the Marion County Zoning Division.

Ø Marion County Land Development Code, Article 4, Division 3, Section 4.3.21, Parking of commercial vehicles. Cars, motorcycles, passenger vans and pick-up trucks utilized for commercial purposes and/or any equipment attached to the vehicle such as racks or utility beds, cannot exceed 16,000 pounds, and only one such vehicle shall be permitted within a residential zoning classification and must be parked within a garage, on a driveway, or in the side or rear yard.

This property will be re-inspected after October 20, 2025, and hopefully, this matter will be cleared at that time. Please contact me to discuss the matter and/or to request a re-inspection. Failure to clear a violation will result in the issuance of a citation or a notice to appear before the Marion County Code Enforcement Board, which could result in a lien against any real or personal property owned by you. In the event a fine is levied against you by the Code Enforcement Board, a collection agency fee and administrative costs will also be added to the total payoff amount and the lien will be reported to credit bureaus.

Respectfully,

Marianne Lopez

Code Enforcement Officer
