Growth Services 2710 E Silver Springs Blvd Ocala, FL 34470

To Whom it May Concern,

The additional 175 homes to the Coventry Square development will potentially bring in 420 new residents. The Marion County Sheriff's Office could absorb the calls created by those residents alone, but if there is other development in the area, additional staffing would be necessary to cover those needs.

Sincerely,

WILLIAM WOODS, SHERIFF
