

STANDARD AGREEMENT BETWEEN MARION COUNTY AND ENGINEER

THIS AGREEMENT, made and entered into this 17th day of April 2007, by
and between **MARION COUNTY**, a political subdivision of State of Florida, hereinafter called
“County” or “Owner,” and **Guerra Development**, a Florida corporation doing
business at 2216 E Silver Springs Blvd., Suite 4, Ocala, FL 34470, hereinafter called “Engineer”,
Possessing FEIN Number: 59-2615012

WITNESSETH:

WHEREAS, the County desires to retain a qualified Engineer for the purpose of
Engineering and Design of Various Roads, Bid #06Q-098 and the County desires to employ
Engineer under the terms and conditions hereinafter set forth, and **WHEREAS**, Engineer is
desirous of obtaining such employment and performing said service under said terms and
conditions, and **WHEREAS**, the “Scope of Services”, “Rate Schedule”, and are herein attached
as Exhibits A and B, respectively, now therefore, **IN CONSIDERATION** of the mutual terms
and conditions contained herein and other good and valuable consideration acknowledged by both
parties, the parties hereto do mutually covenant and agree as follows:

ARTICLE I

THE ENGINEER’S BASIC DUTIES TO THE OWNER

1.1 By executing this Agreement, the Engineer represents to the Owner that the
Engineer is professionally qualified to act as the Engineer for the Project and is licensed to practice
Engineering by all public entities having jurisdiction over the Engineer and the Project. The Engineer further

represents to the owner that the Engineer will maintain all necessary licenses, permits or other authorizations necessary to act as Engineer for the Project until Engineer's remaining duties hereunder have been satisfied. The Engineer assumes full responsibility to the Owner for the improper acts and omissions of its consultants or other employed or retained by the Engineer in connection with the Project.

1.2 Execution of this Agreement by the Engineer constitutes a representation that the Engineer has become familiar with the Project site and the local conditions under which the Project is to be implemented.

1.3 SCOPE OF SERVICES

The Engineer shall diligently and in a timely manner perform the professional services for Marion County in connection with the Engineering and Design of Various Roads. The Scope of Service "Project List" is listed in Exhibit "A" and the Rate Schedule is listed in Exhibit "B" which is hereto attached and incorporated into this Agreement.

1.3.1 The ENGINEER shall provide a scope of services for each task requested by the Transportation Department. The scope of services shall include the total cost, man hours required for the task, brief description of work and a time line stating approximately length of time needed to complete the task. If the amount is over \$10,000.00, a contract amendment will be drafted and then will need approval by the Board of County Commissioners. If the amount of the task is under \$10,000.00, the Transportation Department will issue the ENGINEER a purchase order. Cost for each task will be determined by multiplying the number of man hours by the pre-determined hourly rate attached in Exhibit "B". All tasks will be negotiated by the County Engineer and/or his designee.

1.4 PRELIMINARY DESIGN

1.4.1 The Engineer shall review and examine the information, including any desired schedule and budgetary requirements, furnished by the Owner to understand the requirements of the Project and shall review the understanding of such requirements with the Owner.

1.4.2 The Engineer shall furnish to the Owner a preliminary written evaluation of such information in light of any Project budget requirements.

1.4.3 The Engineer shall review and discuss with the Owner any alternative approaches design and construction of the Project.

1.4.4 The Engineer shall prepare and submit to the Owner for review preliminary design documents consisting of drawings and other documents illustrating the scale and relationship of proposed Project components.

1.4.5 The Engineer shall submit to the Owner an estimate of probable construction costs based upon current area, volume, other unit costs or other information.

1.5 FINAL DESIGN

1.5.1 Based on the preliminary design documents and any adjustments authorized by the Owner in its program, desired schedule or Project budget, the Engineer shall prepare and submit to the Owner for review, design development documents consisting of a survey, site location design and construction plans, traffic control plans, cost estimates, schedule of quantities, permits, traffic impact analysis, drawings and other documents to fix and describe the size and character of the Project as to Engineering systems, materials and such other elements as may be appropriate.

1.5.2 The Engineer shall review its estimate of probable construction costs and shall make any appropriate revisions thereto and furnish same to the Owner.

1.6 CONSTRUCTION DOCUMENTS

1.6.1 Upon the Owner's authorization, the Engineer shall prepare Construction Documents consisting of drawings setting forth in detail the requirements for construction of the Project. Such Construction Documents shall be reasonably accurate, coordinated and adequate for construction and shall be in conformity and comply with applicable law, codes and regulations. Products specified for use shall be readily available unless written authorization to the contrary is given to the Owner.

1.6.2 The Engineer shall review its most recent estimate of probable construction costs and shall make any appropriate revisions thereto and furnish same to the Owner

1.6.3 The Engineer shall assist the Owner in preparing and filing documents required for the approval of authorities having jurisdiction over the project. The Owner shall be responsible for the payment of all permit application fees.

1.7 ADMINISTRATION OF CONSTRUCTION

1.7.1 The Engineer shall represent the Owner during construction. Instructions and other appropriate communications from the Owner to the Contractor shall be communicated through the Engineer. The Engineer shall act on behalf of the Owner only to the extent provided herein and in the Construction Contract.

1.7.2 Upon receipt, the Engineer shall carefully review and examine the Contractor's Schedule of Values, together with any supporting documentation or data which the Owner or the Engineer may require from the Contractor. The purpose of such review and examination will be to protect the Owner from an unbalanced Schedule of Values which allocates greater value to certain elements of the Work than is indicated by such supporting documentation or data or, than is reasonable under the circumstances. If the Schedule of Values is not found to be appropriate, or if the supporting documentation or data is deemed to be inadequate, and unless the Owner directs the Engineer to the contrary in writing, the Schedule of Values shall be returned to the Contractor for revision or supporting documentation or data. After making such examination, if the Schedule of Values is found to be appropriate as submitted, or if necessary, as revised, the Engineer shall sign the Schedule of Values thereby indicating its informed belief that the Schedule of Values constitutes a reasonable, balanced basis for payment of the Contract Price to the Contractor. The Engineer shall not sign such Schedule of Values in the absence of such belief unless directed to do so, in writing, by the Owner.

1.7.3 The Engineer shall carefully inspect the Work of the Contractor whenever and wherever appropriate. The purpose of such inspections will be to determine the quality, quantity and progress of the Work in comparison with the requirements of the Construction Contract. In making such inspections, the Engineer shall exercise care to protect the Owner from defects or deficiencies in the Work, from unexcused delays in the schedule and from overpayment to the Contractor. Following each such inspection the Engineer shall submit a written report of such inspection, together with any appropriate comment or recommendations, to the Owner.

1.7.4 The Engineer shall at all times have access to the Work wherever it is located.

1.7.5 The Engineer shall determine amounts owed to the Contractor based upon inspections of the Work as required in Subparagraph 1.7.4 evaluations of the Contractor's rate of progress in light of remaining Contract Time and upon evaluations of the Contractor's Applications for Payment, and shall issue Certificates for Payment to the Owner in such amounts.

1.7.6 The issuance of a Certificate of Payment shall constitute a representation by the Engineer to the Owner that the Engineer has made an inspection of the Work as provided in Subparagraph 1.7.4 And, that the Work has progressed to the level indicated, that the quality of the Work meets or exceeds the requirements of the Construction Contract, and that, to the best of the knowledge, information and informed belief of the Engineer, the Contractor is entitled to payment of the amount certified.

1.7.7 The Engineer shall be the initial interpreter of the requirements of the drawings and specifications and the judge of the performance thereunder by the Contractor. The Engineer shall render written or graphic interpretations necessary for the proper execution or progress of the Work with reasonable promptness on request of the Contractor.

1.7.8 The Engineer's decisions in matters relating to aesthetic effect shall be final if consistent with the intent of the Construction Contract.

1.7.9 The Engineer shall reject Work which does not conform to the Contract Documents unless directed by the Owner, in writing, not to do so. Whenever, in the Engineer's opinion, it is necessary or advisable, the Engineer shall require special inspection or testing of the Work in accordance with the provisions of the Construction Contract whether or not such Work is fabricated, installed or completed.

1.7.10 The Engineer shall review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data schedules, maintenance of traffic plans and Samples. Approval by the Engineer of the Contractor's submittal shall constitute the Engineer's representation to the Owner that such submittal is in conformance with the Construction Contract. Such action shall be taken with reasonable promptness so as to cause no delay to the Contractor or the Project.

1.7.11 The Engineer shall review, and advise the Owner concerning, proposals and requests for Change Orders from the Contractor. The Engineer shall prepare Change Orders for the Owner's approval and execution in accordance with the Construction Contract, and shall have authority to order, by Field Order, minor changes in the Work not involving an adjustment in the Contract Price or an extension of the Contract Time.

1.7.12 The Engineer shall conduct an inspection to determine the date of Substantial

Completion and the date of final Completion, shall receive and forward to the Owner for the Owner's review written warranties and related documents required by the Construction Contract and assembled by the Contractor, and shall, when appropriate, issue a final Certificate for Payment.

1.7.13 The Engineer shall, without additional compensation, promptly correct any errors, omissions, deficiencies or conflicts in its work product.

1.8 NEGLIGENT ACTS

1.8.1 The Engineer agrees to the fullest extent permitted by law, to indemnify and hold the Owner harmless from any damage, liability, or cost (including reasonable attorney's fees and cost of defense) to the extent caused by the Engineer's negligent acts, errors, or omissions in the performance of professional services under this Agreement and those of the Engineer's subconsultants or anyone for whom the Engineer is legally liable. The Engineer shall not be responsible for the Owner's negligent acts, or errors, or omissions and those of its contractors, subcontractors, or consultants or anyone for whom the Owner is legally liable, and arising from the project that is the subject of this Agreement. Neither party is obligated to indemnify the other party in any manner whatsoever for the other party's own negligence.

1.9 ADDITIONAL SERVICES

1.9.1 Providing services to examine or investigate existing conditions or to make measured drawings, or to verify the accuracy of drawings or other information provided by the Owner.

1.9.2 Making revisions in drawings, specifications or other documents when such revisions are inconsistent with written direction by the Owner previously given, are required by the enactment or revision of codes, laws or regulations subsequent to the preparation of such documents and not reasonably anticipated, or are due to other causes not within the control or responsibility of the Engineer, either in whole or in part.

1.9.3 Preparing drawings, specifications and supporting data in connection with Change Orders, provided that such Change Orders are issued by the Owner due to causes not within the control or responsibility of the Engineer, either in whole or in part.

1.9.4 Providing services concerning repair or replacement of Work damaged by fire or other cause during construction provided that such services are required by causes not the responsibility of the Engineer, either in whole or part.

1.9.5 Providing services made necessary solely by the default of the Contractor or major defects or deficiencies in the Work of the Contractor.

1.9.6 Providing the following services if requested by the County: all condemnation services including certified surveys, expert testimony and special services; construction staking; and as built surveys.

1.10 SERVICE SCHEDULE

1.10.1 The Engineer shall perform its services expeditiously. Upon request by the Owner, the Engineer shall submit for the Owner's approval a schedule for the performance for the Engineer's services which shall include allowance for time required for the Owner's review of submissions and for

approvals of authorities having jurisdiction over the Project. This schedule, when approved by the Owner, shall not, except for cause, be exceeded by the Engineer.

1.11 PERSONNEL

1.11.1 The Engineer shall assign only qualified personnel to perform any services concerning the Project. The Engineer shall not sublet, assign, or transfer Engineering services under this Agreement without prior written consent of the County. Changes in the proposed staffing plan shall be approved in writing by the County. At the time of execution of this Agreement, the parties, anticipate that the following named individuals will perform those functions indicated:

NAME	FUNCTION
Juan C. Guerra, PE	Principal
Marco Guerra, PE	Project Manager
Laura Guerra, VP	Project Coordinator

So long as the individuals named above remain actively employed or retained by the Engineer, they shall perform the functions indicated next to their names.

ARTICLE II

THE OWNER'S BASIC DUTIES TO THE ENGINEER OTHER THAN COMPENSATION

2.1 The Owner shall provide the Engineer with adequate information regarding the Owner's requirements for the Project including any desired or required design or construction schedule, or both, and any budgetary requirements, and any existing files, plans, profiles and other Engineering information.

2.2 The Owner shall review any documents submitted by the Engineer requiring the Owner's decision, and shall render any required decision pertaining thereto.

2.3 If the Owner becomes aware of any fault or defect in the Project, non-conformance with the Construction Contract, or of any errors, omissions or inconsistencies in the drawings or specifications, prompt notice thereof shall be given by the Owner to the Engineer.

2.4 The Owner shall perform those duties set forth in Paragraph 2.1 through 2.6 as expeditiously as may reasonable be necessary for the orderly progress of the Engineer's services and of the Work.

2.5 The Owner's review of any document prepared by the Engineer or its consultants shall be solely for the purpose of determining whether such documents are generally consistent with the

Owner's construction program and intent. No review of such documents shall relieve the Engineer of its responsibility for the accuracy, adequacy, fitness, suitability and coordination of its work product.

2.6 The Owner shall designate in writing a representative to represent the Owner in all technical matters pertaining to and arising from the work and performance of this Agreement.

ARTICLE III

CONSTRUCTION COSTS

3.1 If a fixed limitation on the cost of Construction is exceeded by the lowest bona fide bid or negotiated proposal, the Owner may (1) give written approval of an increase in such fixed limit, (2) authorize rebidding or renegotiating of the Project (3) terminate the Project and this Agreement in accordance herewith, or (4), cooperate in revising the Project scope or quality, or both, as required to reduce the construction cost. In the case of (4) the Engineer, without additional charge to the Owner, shall consult with the Owner and shall revise and modify the drawings and specifications as necessary to achieve compliance with the fixed limitation on construction cost, and the Client agrees to cooperate with the Consultant in revising the Project Scope and quality in order to reduce the bids or negotiated price so that they do not exceed the fixed limitation on construction costs. Absent clear and convincing negligence on the part of the Engineer in making its estimates of probable construction costs, providing such modifications and revisions shall be the limit of the Engineer's responsibility arising from the establishment of such fixed limitation of construction costs, and having done so, the Engineer shall be entitled to compensation for all other services performed, in accordance with the Agreement.

3.2 In providing estimates of probable construction cost, the Owner acknowledges that the Engineer has no control over costs or the price of labor, equipment or materials, or over the Contractor's method of pricing and that the estimates of probable construction cost provided for in this agreement are to be made on the basis of the Engineer's qualifications and experience.

ARTICLE IV

BASIS OF COMPENSATION

4.1 Payment to the Engineer is set forth in Exhibit B.

ARTICLE V

PAYMENT TO THE ENGINEER

5.1 ENGINEER'S INVOICES

5.1.1 Engineer's invoices shall be submitted to the Owner requesting payment for services properly rendered and reimbursement for Reimbursable Expenses due hereunder at the following stages: 30% review, 60% review, 90% review and 100% completion. The Engineer's invoices shall be accompanied by reasonable documentation or data in support of Reimbursable Expenses, for which reimbursement is sought, as the Owner may require. The Engineer's invoice shall describe with reasonable particularity each service rendered, the person(s) rendering the service, and their billing rate.

5.1.2 If payment is requested for services by the Engineer pursuant to Paragraphs 1.3 through 1.6, the invoice shall bear the signature of the Engineer, which signature shall constitute the Engineer's representation to the Owner that the services indicated in the invoice have been properly and timely performed as required herein, that the Reimbursable Expenses included in the invoice have been reasonably incurred, that all obligations of the Engineer covered by prior invoices have been paid in full, and that, to the best of the Engineer's knowledge, information and informed belief, the amount requested is currently due and owing, there being no reason known to the Engineer that payment of any portion thereof should be withheld. Submission of the Engineer's invoice for final payment and reimbursement shall further constitute the Engineer's representation to the Owner that, upon receipt from the Owner of the amount invoiced, all obligations of the Engineer to others, including its consultants, incurred in connection with the Project, will be paid in full.

5.2 TIME FOR PAYMENT

5.2.1 The Owner shall make payment to the Engineer of all sums properly invoiced as provided in Paragraph 5.1 within thirty (30) days of the Owner's receipt and approval thereof, consistent with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.

5.3 OWNER'S RIGHT TO WITHHOLD PAYMENT

5.3.1 In the event that the Owner becomes credibly informed that any representations of the Engineer, provided pursuant to Sub-paragraph 5.1.1 are wholly or partially inaccurate, the Owner may withhold payment of sums then or in the future equal to the amount of the inaccuracy, otherwise due to the Engineer until the inaccuracy, and the cause thereof, is corrected to the Owner's reasonable satisfaction.

5.4 ENGINEER'S RECORDS

5.4.1 Documentation accurately reflecting the time expended by the Engineer and his personnel and records of Reimbursable Expenses shall be maintained by the Engineer and shall be available to the Owner for review and copying upon request.

ARTICLE VI TERMINATION

6.1 TERMINATION FOR CAUSE

6.1.1 Either party may terminate this Agreement upon the failure of the other party to comply with the terms and conditions of this Agreement, provided however, that notice of default must first be given and the defaulting party must have failed to cure the default within thirty (30) days after said notice.

6.2 TERMINATION BY THE OWNER WITHOUT CAUSE

6.2.1 The County may, upon thirty (30) days written notice, terminate this Agreement for convenience of the County, and the Engineer shall be paid all fees and expenses reasonably incurred through the date of termination, plus such reasonable and necessary demobilization expenses as are actually incurred and substantiated by Engineer.

6.2.2 In the event of termination of this Agreement, Engineer shall turn over to the County all data, drawings, draft and final reports, and other materials collected, prepared or assembled as part of the services provided hereunder.

ARTICLE VII MISCELLANEOUS PROVISIONS

7.1 GOVERNING LAW

7.1.1 This Agreement shall be governed by the laws of the State of Florida.

7.2 TIME IS OF THE ESSENCE

7.2.1 Time limitations contained herein, or provided for hereby, are of the essence of this Agreement.

7.3 USE AND OWNERSHIP OF DOCUMENTS

7.3.1 The drawings, specifications and other documents or things prepared by the Engineer for the Project shall become and be the sole property of the Owner. The Engineer shall be permitted to retain copies thereof for its records and for its future professional endeavors. Such drawings, specifications and other documents or things are not intended by the Engineer for use on other projects by the Owner or others. The Owner shall not reuse or make any modifications to the drawings, specifications and other documents without prior written authorization of the Engineer.

7.4 SUCCESSORS AND ASSIGNS

7.4.1 The Engineer shall not assign its rights hereunder, nor shall it delegate any of its duties hereunder without the written consent of the Owner. Subject to the provisions of the immediately preceding sentence, the Owner and the Engineer, respectively, bind themselves, their successors, assigns and legal representative to the other party to this Agreement and to the successors, assigns legal representatives of such other party with respect to all covenants of this Agreement.

7.5 NO THIRD-PARTY BENEFICIARIES

7.5.1 Nothing contained herein shall create a contractual relationship with, or any rights in favor of, any third party.

7.6 INSURANCE

7.6.1 The Engineer shall procure and maintain during the period of this Agreement insurance for protection from claims for worker's compensation, auto liability and general liability insurance, if applicable with coverage normally maintained by the ENGINEER for claims for damages because of bodily injury, including personal injury, sickness or disease or death or any and all employees and agents of the ENGINEER, and from claims or damages because of injury to or destruction of property including loss of use resulting therefrom.

7.6.2 All insurance shall be placed in a company authorized to do business in the State or Florida. The ENGINEER shall obtain all the insurance required and provide the County with Certified of Insurance evidencing that fact. The County shall be shown as the Certificate Holder. The Certificate shall provide for thirty (30) days of advance notice of cancellation to the County.

7.7 ENTIRE AGREEMENT

7.7.1 This Agreement represents the entire agreement between the Owner and the Engineer and supersedes all prior communications, negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Owner and Engineer.

7.8 INDEPENDENT CONTRACTOR

7.8.1 Notwithstanding any provision to the contrary, the ENGINEER shall perform all services under this Agreement as an independent contractor and not as an agent or employee of the COUNTY. The ENGINEER shall be responsible for the manner, means, methods, techniques, sequences and procedures utilized in rendering all services under this Agreement.

7.9 ATTORNEY'S FEES

7.9.1 Except as otherwise provided in this Agreement, in connection with any dispute rising out of this Agreement, including without limitation, litigation and appeals, each party will bear its own Attorney's fees and costs.

7.10 INDEMNIFICATION FOR INJURY TO PERSONS AND PROPERTY

7.10.1 The ENGINEER shall indemnify and hold harmless the County and its agents and employees from and against all claims, damages, losses and expenses, including Attorney's fees and all legal costs, arising out of or resulting from the performance of this Agreement, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease, personal injury or death, or to injury to or destruction of tangible property including the loss or loss of use resulting therefrom and is caused in whole or in part by any negligent act of the ENGINEER. The Engineer shall not be responsible for any such claim, damage, loss or expense attributable to bodily injury, sickness, disease, personal injury or death, or to injury to or destruction of tangible property including the loss or loss of use resulting therefrom that is caused in whole by any negligent act of the County. All accidents, injuries, claims or potential claims shall be reported promptly to the County's Risk Management Department.

7.11 PROHIBITION AGAINST CONTINGENT FEES

7.11.1 The Engineer warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the Engineer to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Engineer any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

7.12 TRUTH-IN-NEGOTIATION CERTIFICATE

7.12.1 The Engineer warrants that the wage rates and other factual unit costs supporting the compensation to the Engineer under this Agreement are accurate, complete and current at the time of contracting. In addition, the Engineer understands and agrees that the original contract price and any additions thereto will be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments must be made within one year following the end of the contract.

7.13 FORCE MAJEURE

7.13.1 Neither party shall be responsible for damages or delays caused by Force Majeure or other events beyond the control of the other party and which could not reasonably have been anticipated or prevented. Should Force Majeure occur, the parties shall mutually agree on the terms and conditions upon which the Services may be continued.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized officers on the day, month and year set forth above.
