DEVELOPER'S AGREEMENT

THIS DEVELOPER'S AGREEMENT made and entered into this _____, 2025,
(the "Effective Date"), by and between:

- Marion County, a political subdivision of the State of Florida ("County"); and
- Shores Sand Mine, LLC, a Florida limited liability company ("Developer").

WHEREAS:

- A. Developer owns the real property (the "Property") described in the attached **Exhibit A**.
- B. Developer intends to record a plat (the "Plat") of the Property establishing a subdivision (the "Subdivision") to be known as "Emerald Village."
- C. The proposed Plat will plat the Property into large lots (the "Initial Lots") to provide for flexibility in developing the Property. It is possible that, as the Subdivision is developed, the Initial Lots will need to be replatted into smaller lots (the "Smaller Lots") pursuant to one or more replats (each a "Replat").
- D. On July 14, 2025, County's Development Review Committee (the "DRC") granted to Developer a waiver from the requirement of Section 2.18.1 of the County Land Development Code on the condition that Developer enter into this Agreement.
- E. Developer is entering into this Agreement pursuant to the DRC approval.

NOW THEREFORE, IN CONSIDERATION of the payment of \$10.00 and other good and valuable consideration acknowledged by both parties, the parties do mutually covenant and agree as follows:

1. **Traffic Impact Analysis.** Developer shall submit to County for approval a traffic impact analysis performed pursuant to County's *Traffic Impact Guidelines* for the anticipated build-out of the Subdivision upon the earlier of the following:
 - 1.1. Obtaining approval of any Subdivision Improvement Plans for the Subdivision or any Replat thereof, or of any site plan or building permit within the Subdivision; or
 - 1.2. Within three (3) years after the Effective Date of this Agreement.

2. **Cross-Access.**

- 2.1. As set forth in Whereas paragraph C, it is anticipated that some of the Initial Lots may be further subdivided pursuant to one or more Replats.
- 2.2. Developer shall, in connection with any replatting or development of the Subdivision, cause an internal road network to be established so that there is cross-access between all of the Initial Lots and any Smaller Lots created by a Replat. Such road network may be constructed as Initial Lots or Smaller Lots develop, but any road in an Initial Lot shall connect to a previously constructed road on a contiguous Initial Lot or Smaller Lot.

3. **Declaration.** Prior to, or concurrently with the recording of the Plat for the Subdivision, Developer shall record a declaration of covenants (the "Declaration") consistent with the following:

- 3.1. The Declaration shall establish a homeowners' association ("HOA") for the Subdivision. The HOA shall be established pursuant to the provisions of Chapter 720, Florida Statutes, including being registered as a "not for profit corporation" with the Florida Department of State, and shall have all the rights and obligations of a homeowners' association thereunder. The HOA shall have perpetual existence and shall continue to be the homeowners' association for the Subdivision even after a Replat. The HOA shall take no action inconsistent with the obligations of Developer under this Agreement, including those set forth in paragraphs 2.2 and 3.2.
- 3.2. The Initial Lots subject to the Declaration shall be required to construct a road network consistent with the cross-access requirements of paragraph 2, above. Each Initial Lot shall have a cross-access easement to permit it, or Smaller Lots established by a Replat, to utilize the roads constructed within other Initial Lots or as shown on a Replat.

4. **Notices.**

- 4.1. All notices, requests, consents and other communications (each a "Communication") required or permitted under this Agreement shall be in writing (including emailed communication) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service, emailed or mailed by Registered or Certified Mail (postage pre-paid), Return Receipt Requested, addressed as follows or to such other addresses as any party may designate by Communication complying with the terms of this paragraph:
