The Major Site Plan was recently resubmitted and is currently under review. Staff comments are not available at this time but are due 02/04/2025.

LDC 2.1.3 Order of Plan Approval

CODE states plans listed below may be reviewed concurrently, but must be approved in the order listed below, when applicable and when the proper land use and zoning are in place: A. Master Plan. B. Preliminary Plat. C. Improvement Plan. D. Final Plat. E. Major Site Plan. However, a Major Site Plan can be substituted for the Improvement Plan and can be approved before approval of the Final Plat in cases when the infrastructure improvements supporting the plat are proposed as part of the Major Site Plan application.

APPLICANT requests a waiver to permit the two active building permits that have been fully and rightfully approved via AR #31416 CORTA Commons Major Site Plan approval without delay as the staff works through revision submittal to AR #31416 which has been labeled as #32368. The revision solely modifies a portion of the property for access and stormwater and does not impact the buildings in question.

Motion by Chuck Varadin to approve the waiver request subject to a final hold being placed on the building permits (2024050635, 2024053294, 2024111584) with no final inspections being done prior to the PUD modification being approved by the BCC and pending Stormwaters review of the revised resubmittal, with all work being done at their own risk, seconded by Ken McCann

Motion carried 5-0
