

BCC Meeting August 20, 2024

ADVISORY BOARD VACANCIES – BALLOT

Industrial Development Authority

Members consider industrial and manufacturing projects with appurtenant facilities & determine the appropriateness of financing such projects through the issuance of industrial development bonds. Members shall study the advantages, facilities, resources, products, attractions, & conditions concerning the county with relation to the encouragement of economic development in Marion County.

Members serve four-year terms, & the board shall designate not less than five persons who are residents & electors of the county as members of the authority.

Please indicate your choice for appointment by checking the appropriate box:
