Description of Request

This is a request to approve the amendment to the Preliminary Engineering Report approved by the Commissioners on December 7, 2021.

Following is a list of salient corridor changes: Additional Development of the N.W. 70th-80th Avenue corridor with World Equestrian Center (WEC) traffic; potential development of a large track of land southwest of the S.R. 40 intersection; continued increase in the cost of land, which directly impacts drainage retention areas and right-of-way acquisition costs; and ongoing planned development of large tracks of land south of the Ocala Airport (KOCF). (Description of Request continues on the attachment)
