Findings of Facts:

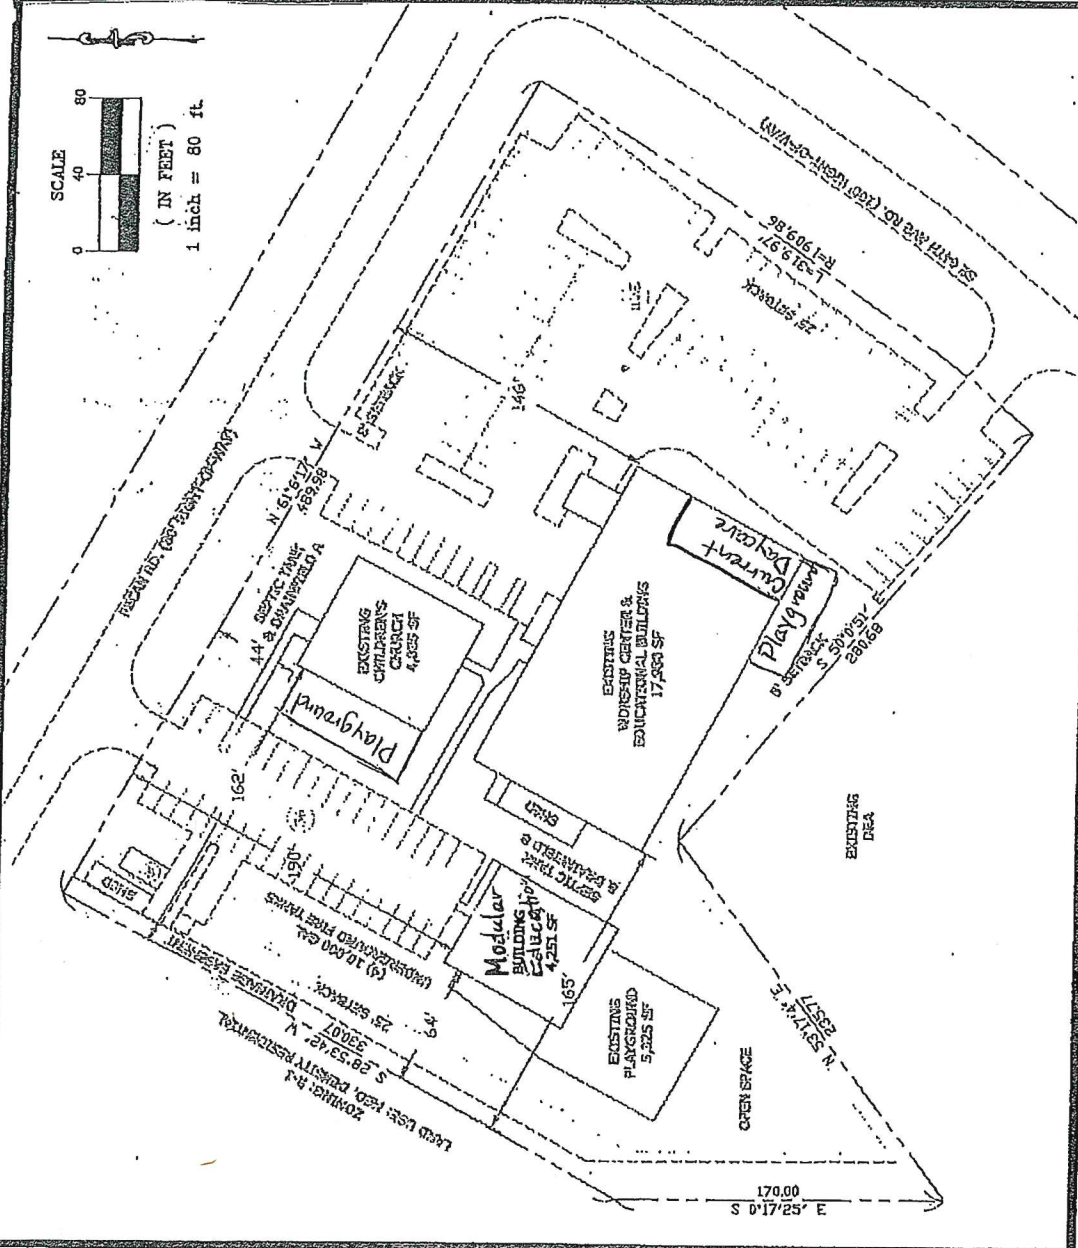

Wings of Faith Church was established in 1988 by SUP. The daycare and preschool started in approximately 1999 or 2000 without knowledge of a need for a special use permit. A special use permit was established in 2011, permit #9021-0000-03. Then, in 2023, the childcare and preschool moved from the modular building into the main building, permit #2023-07-2846. In addition to the childcare and preschool, Wings of Faith Church is looking to launch a private school for grades K5 to 5th Grade under the Fictitious name "Wings of Faith Academy".

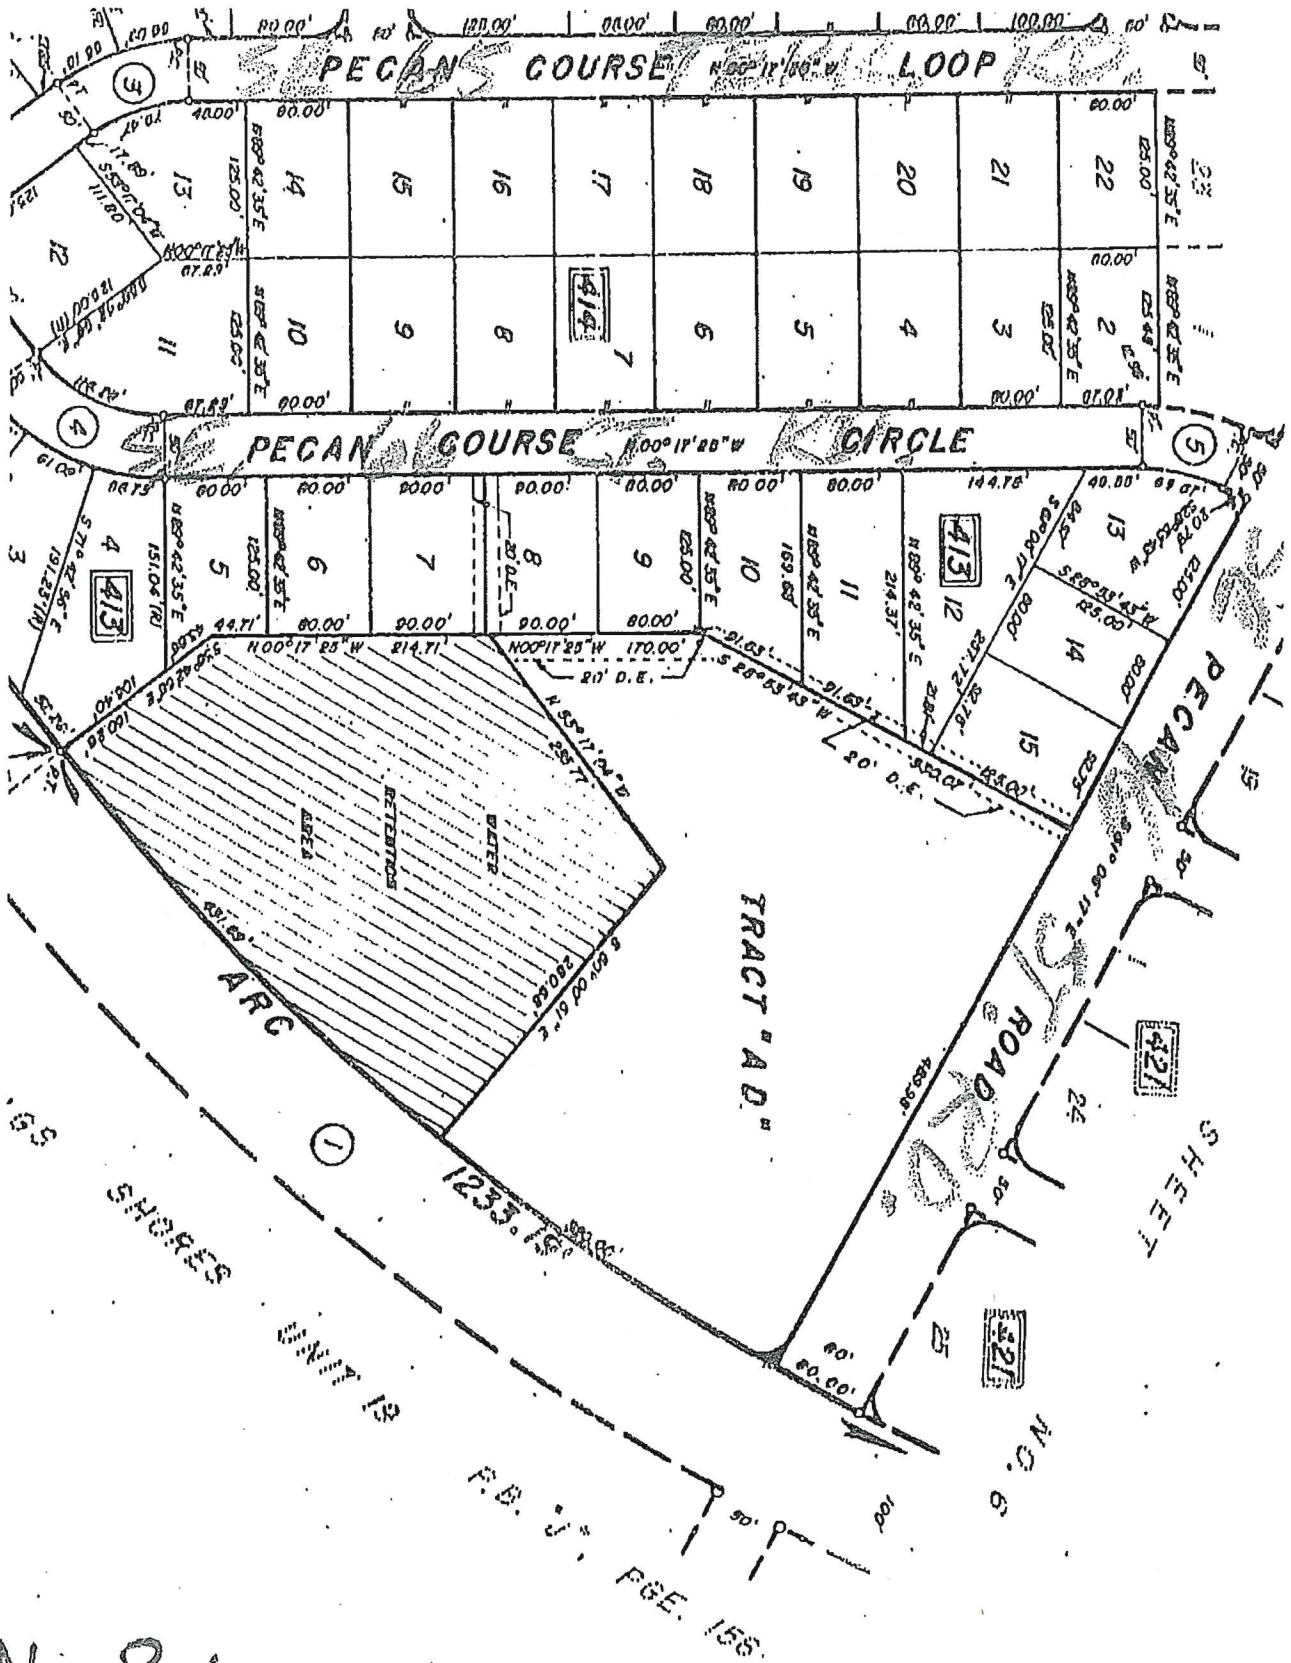

1. Access to the Academy is located from Pecan Rd. There is an existing driveway and parking lot leading to the modular building.
2. Parking provided by 36 existing paved spaces, as well as 130 paved spaces in the main building parking lot if needed.
3. Dumpsters on sight, commercial pick-up of trash.
4. Water and sewer is provided by an on-site well and septic tank.
5. Chain link fencing has been added. Privacy fencing or vegetative material will be provided along the west boundary where the Academy abuts residential use if needed.
6. Any signage for the Academy will be incorporated into the existing church signs and meet all county size requirements.
7. Adequate open area and green space provided, as well as a fenced in area for recess.
8. The daycare has existed without incidence for about 25 years, and adding the academy will fit with the current purposes.
9. Wings of Faith is willing to meet any and all requirements.
