RE: Notice of Debarment

Dear Mr. Sanchez,

As you were previously noticed, on July 27 2021, Marion County suspended IES Sales and Service, LLC ("IES") from doing business with Marion County for a three (3) month period beginning on July 27, 2021. As additionally noticed, the Marion County Board of Commissioners considered the debarment of IES at its August 17, 2021 meeting.

At the meeting, the Board found that in its performance of the awarded contract 19B-170, Garbage Compactors and Containers, IES performed unsatisfactorily and violated contract provisions by failing without good cause to perform in accordance with the specifications or within the time limit provided in the contract. Specifically, the record of performance shows excessive delays in supplying products, that mid-performance IES had its sole phone disconnected causing a lack of communication, and the failures of IES required additional time of County staff to complete the project. The character of the above described contract violations were regarded by the Board to be so serious as to justify debarment.

Based on the contract violations set forth above and pursuant to the regulations and procedure of the Marion County Procurement Code including, but not limited to, Sec. 2-248(c), IES Sales and Service, LLC is hereby debarred from doing business with Marion County effective August 17, 2021, for a period of (1) year.

Should you have any questions, please reach out to Procurement Services at (352) 671-8444.

Very truly yours,

---

Jeff Gold, Chairman  
Marion County Board of County Commissioners
