WHEREAS, Section 127.01, Fla. Stat. (2023), subsection (1)(a) provides that each county of the state is delegated authority to exercise the right and power of eminent domain; that is, the right to appropriate property, except state or federal, for any county purpose; and

WHEREAS, Section 127.02, Fla. Stat. (2023) provides that the board of county commissioners may not exercise its power of eminent domain unless the board adopts a resolution authorizing the acquisition of a property, real or personal, by eminent domain

WHEREAS, Section 127.01, Fla. Stat. Stat. (2023) and the right of entry onto property pursuant to Section 337.274, Fla. Stat. (2023); and

WHEREAS, Section 337.27, Fla. Stat. (2023), subsection (1) grants the Department of Transportation the power of eminent domain to condemn all necessary lands and property, including rights of access, air, view, and light, whether public or private, for the purpose of securing and utilizing transportation rights-of-way, including, but not limited to, any lands reasonably necessary for securing applicable permits, areas necessary for management of access, borrow pits, drainage ditches, water retention areas, rest areas, replacement access for landowners whose access is impaired due to the construction of a facility, and replacement rights-of-way for relocated rail and utility facilities; for existing, proposed, or anticipated transportation facilities on the State Highway System or State Park Road System; or in a transportation corridor designated by the department; or for the purpose of screening, relocation, removal, or disposal of junkyards and scrap metal processing facilities. WHEREAS, Section 337.273, Fla. Stat. (2023) provides in part at subsection (1)(c) that the designation and management of transportation corridors and the planning and development of transportation facilities within transportation corridors will substantially assist in allowing government to alleviate traffic congestion and transportation facility overcrowding, aid in the development of an effective transportation system that is coordinated with land use planning, assist in planning for future growth, enable compliance with concurrency requirements, and alleviate the heretofore described health, safety, and welfare liabilities to the public; and

WHEREAS, the Project that is the subject of this Resolution is the SW 40th & SW 49th AVENUE ROAD CONSTRUCTION PROJECT described in the Preliminary Engineering Report originally prepared by Cardno TBE and approved by the Marion County Board of County Commissioners on April 27, 2010 and has been listed on the approved Transportation Improvement Program adopted by Marion County; and

WHEREAS, the Board of County Commissioners, as part of its approval of the foregoing Preliminary Engineering Report, considered alternative designs and routes, cost, safety, environmental factors, and long term area planning in concluding that the acquisition of the specific property interests identified herein is necessary and in the best interests of the public, and that all conditions precedent to the acquisition of such property

interests have been, or will be met, prior to commencement of the filing of an action in eminent domain with respect to such property interests; and

WHEREAS, Section 337.274, Fla. Stat. (2023), provides that the Department of Transportation and its authorized agents and employees are authorized to enter upon any lands, waters, and premises, upon giving reasonable notice to the landowner, for the purpose of making surveys, soundings, drillings, appraisals, environmental assessments, archeological assessments, and examinations necessary to perform its duties and functions; and any such entry shall not be deemed a trespass or an entry that would constitute a taking in an eminent domain proceeding. The department shall make reimbursement for any actual damages to such lands, water, and premises as a result of such activities; and

WHEREAS, Ch. 73, Fla. Stat. (2023) provides general substantive and procedural requirements and limitations on a county's exercise of the power of eminent domain; and

WHEREAS, Section 73.015, Fla. Stat. (2023), subsection (1), provides requirements for pre-suit negotiation with the fee owner of the property to be acquired by eminent domain; and
