## Written Findings and Facts

(1) Provisions for ingress and egress to property and proposed structures thereon with particular reference to automotive and pedestrian safety and convenience, traffic flow and control and access in case of fire or catastrophe. Access to site shall be from existing driveway located directly on NE 70<sup>th</sup> Street/ CR 326 (west side), and shall utilize NE 17<sup>th</sup> Terrace for accessibility. Traffic flow concerning special events shall be handled through the special event procedure. This may include contracting law enforcement to direct traffic. Please note the special events shall only occur a maximum of 4 times per year.

(2) Provision for off-street parking and loading areas, where required, with particular attention to the items in 1.a. above and the economic, noise, glare, or odor effects of the Special Use Permit on adjoining properties and properties generally in the surrounding area. Parking to occur on proposed grass parking area. This location is adjacent to an existing DRA, therefore the parking location will not have any negative impacts to adjacent properties.

(3) Provision for refuse and service areas, with particular reference to the items in 1.a. and 1.b. above. Garbage collected shall be removed and transported to a designated recycling facility in a timely manner. General maintenance or upkeep of the grounds shall occur with no impacts to adjacent properties.

(4) Provision for utilities, with reference to locations, availability and compatibility. Existing septic and well to be utilized in compliance with DOH regulations. Portable toilets may be utilized on a temporary basis during special events. City of Ocala Utilities is the electric provider.

(5) Provision for screening and buffering of dissimilar uses and of adjacent properties where necessary. Existing vegetation to remain along east boundary of site. Grazing area to remain as buffer from the property to the west. 25' easement to remain as separation from parcels to the north.

(6) Provision for signs, if any and exterior lighting with consideration given to glare, traffic safety, economic effects and compatibility and harmony with properties in the surrounding area. Lighting to be shielded in a manner that does not cast glare onto adjacent properties. Temporary signs only to be used during Special Events.

(7) Provision for required yards and other green space. Fields to be minimum of 25' from all property lines. Any associated structure, i.e. batting cages, stands for seating, or storage shall be in excess of 25' from all property lines.

(8) Provision for general compatibility with adjacent properties and other property in the surrounding area. There is an existing baseball complex to the south (Oak Griner), and to the north (Anthony Little League). The Anthony complex is not being maintained or utilized. Hours of operation may be imposed as warranted. Even though site is zoned agricultural, zoning classification allows for a public recreational use.

(9) Provision for meeting any special requirements required by the site analysis for the particular use involved. Applicant is willing to consider conditions to be imposed as deemed necessary in order to obtain approval.

### Suggested Conditions self-imposed:

1. Site shall be used as a practice facility as depicted on the submitted concept plan, including location of parking in the SW area of site.
2. Hours of operation shall be as follows:  
Days regular school is in session: Monday thru Friday 2:30pm – 8:30pm, Saturday 10:00am-8:30pm  
Summer and holidays: Monday – Saturday 10:00am – 8:30pm
3. Lighting shall be shielded as to not cause glare onto adjacent properties or CR 326.
4. Type C buffer to be installed along CR 326
5. All structures that are built or converted for the use of the practice facility shall obtain permits and comply with building codes and setbacks.
6. Special Events shall be limited to 4 times per calendar year,( once a quarter) and be approved through the Special Event Permit Process with Marion County. Special event may consist of tournament or fund raiser activities.
7. This Special Use Permit shall expire every 5 years, but may be renewed for an additional 5 years administratively with the Growth Services Director or designee.
8. Driveway access shall be inspected to meet current code, and obtain proper permits if necessary.
