To whom it may concern,

This Letter of Intent is submitted on behalf of RGR Developer, LLC to request a rezoning of the property address to be determined along State Road 41 (SR41), bearing Parcel ID 1751-010-006.

1. APPLICATION (See attached).

2. LETTER OF INTENT

A. Current Zoning

Current Use: The subject property is currently vacant undeveloped.

Current Zoning: The property is currently zoned B-2.

Future Land Use Designation: According to the Marion County GIS map - Comprehensive Plan, the property is designated as RAC.

B. Rezoning Request and Intended Use

Request: The applicant requests a rezoning of the Subject Property from B-2 to RAC to allow for the development of a modern, climate-controlled self-storage facility.

Intended Use: The proposed project includes the construction of three 1-story buildings designed for mini-warehouse/self-storage use, featuring an on-site leasing office and secure access. The project will provide low-traffic, high-quality storage solutions to the growing residential and commercial demand in the SR41 corridor.

C. No concurrent applications.

D. Land Use Compatibility and Character Strategies

The applicant is committed to ensuring the proposed storage facility is compatible with surrounding land uses; residential R-1 to the West and agricultural A-1 to the East. We propose fencing and buffer on all property lines to mitigate potential impacts:

3. RECORDED DEED (See attached).

4. SIGNED AND SEALED SURVEY (See attached).

5. LOCATION MAP
