## 484 Industrial Park, Belleview

### Project Summary

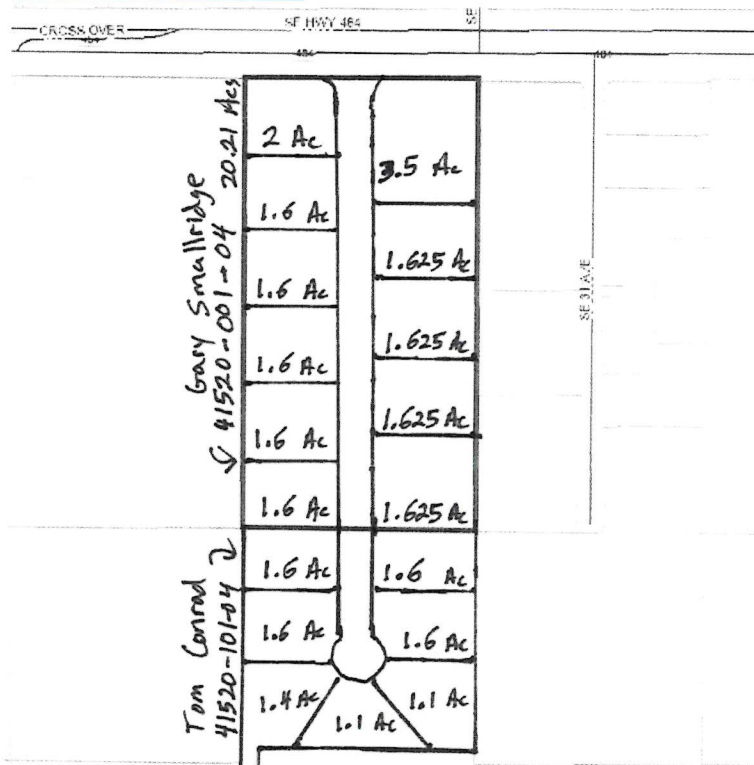

The goal of this project is to secure zoning and land-use changes to allow the two subject parcels to be combined and developed into an industrial park with M-2 zoning. The northeast 3.5 acre lot would be utilized by the Smallridge family to open a storage business with outside covered storage for boats and RVs, along with traditional enclosed storage units. Another smaller lot from this project would be used to start a welding company, which would be owned and run by Hunter Smallridge, son of owner, Gary Smallridge. Some of the remaining lots would be built to suit businesses wanting to relocate in Marion County or wanting to start a business in Marion County for long-term leases. Other lots would be built out by the owners with 5,000 to 10,000 square foot building with office spaces for leasing.

The properties that border this project to the south, west and north are all owned by the Smallridge family. The ten-acre parcel 41520-005-00 that borders the south side of this project is owned by Delbert Smallridge, brother to Gary Smallridge. The 18.54-acre parcel 41520-000-00 and the 10-acre parcel 41520-006-00 that borders this project on the west side is owned by James Smallridge, brother to Gary Smallridge. The properties directly north of this project (north side of 484) are all owned by Gary Smallridge, James Smallridge and Delbert Smallridge, which totals over 30 acres. The Smallridge brothers, James and Delbert, both support this project. See attached letters of support. The property that borders the east of this project is an established industrial park with M-2 zoning, Three C's Industrial Park.

The Ocala Metro Chamber & Economic Partnership (CEP) supports this project, stating the location in Belleview, especially being located on 484 just three miles from I-75, makes it perfect for business owners that operate in the south part of Marion County. The CEP works with businesses wanted spaces ranging from 5,000 to 10,000 square feet in the southern part of the county to avoid the Ocala traffic. See attached letter of support.
