

Join business and community leaders on our Quest trip—Intercity Visit to gather best practices and generate ideas to make the Ocala Metro an even better place to live, work and play. This is an incredible opportunity to make key connections with the area's most influential civic and business leaders. CEP's Quest trips also provide multiple opportunities for interaction among attendees to build relationships with each other, fostering opportunities and addressing local challenges.

We'll learn how Savannah earned the nickname "Hostess City", We'll hear about revitalization and initiatives to address the downtown riverfront, and how tourism has driven growth at their airport and been enhanced by efforts of their sports commission.

We'll explore manufacturing, growth issues and how Savannah is addressing tomorrow's workforce challenges. As always, we'll also get a taste of the area's history and culture.
