Good afternoon Toby,

Marion County has received your request. At this time, Marion County does not own or maintain the areas you referenced. Additionally, the Fore Ranch development was annexed into the City of Ocala's jurisdiction prior to any development approvals.

I have reached out to the City of Ocala, and they have confirmed that they have received the same correspondence and will be responding to you in the near future. As it relates to your request, Marion County supports an outcome consistent with the City of Ocala's position.

Sincerely,
