RE: Donated Apparatus

Chairwoman Stone,

Levy County would like to express our sincere appreciation for the Fire Engine Marion County has donated to Levy County. Marion County approved this donation on September 4, 2024, and Levy County graciously accepts the apparatus for use by the Department of Public Safety.

This equipment will assist in serving the citizens and visitors of Levy County. We appreciate this support from Marion County; if there is anything we can do to assist you, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Desiree Mills". The signature is fluid and cursive.
