Aaron,

I understand my waiver appeal is going before the Board on Tuesday. The email below is from MCPS showing they have no issues with the buffer requirements be waived.

Where will fall on the agenda? What time do I need to be there?

Subject: MCPS Buffer response

Hello Mr. Abshier,

I have spoken with both the Director of Safe Schools and the Director of Operations here at MCPS and both have indicated that they see no issue with the buffer requirement being waived on the property lines associated with the MCPS public schools. Please let me know if you need anything further.

Regards,
