Per Tracy's conversation with Cheryl, regarding mobile home replacement on next BCC Agenda, the State approved a Technical revision to the County's existing 2019-2022 LHAP, see attached and below email thread with edits made on pages 2, 7, 9, and 11. The first attached demonstrates the changes, the second attachment is the final approved by State. Should we put this on for Notation for Record?

The 2022-2025 LHAP is forth coming for Board approval.

Good Morning Rob,

I have changed the red lined LHAP to reflect a dollar amount per your suggestion (attached). If this is acceptable, I also attached the PDF of Marion County's 2019-2022 LHAP technical revision with Exhibits A, B, C, D, and E.

Thank you for your guidance and direction.

The changes are acceptable although on demolition, we like to see a percentage or dollar amount of the repairs that triggers it being moved to demo rather than the less specific term of not habitable.
