**

A316001 "Beacon" tricolor bulldog (paralyzed) (Personal dog to Dori Lopriore)**

A316004 "Nat Nat" female brown/white bulldog*

Inside an air conditioned shed were "medical" cases:

A338225 Grey female pitbull type dog with 5 puppies (3 dark grey, 1 light grey, 1 white). Dori provided text messages of someone coming to pick them up (Sarah Josie, 352-229-5563, 2009 NE 50th PL)

A338224 Neutered orange/white cat (FIV)

A338222 Neutered brown tabby (FIV)**

ATTACHMENT C

A338221 "Smush face" black/white long hair Persian type cat (FIV)**

With the assistance of staff, we were able to block entrances to keep cats from being able to go in/out of their areas. All catteries were clean and free of feces with a large amount of litter boxes. Each cattery had air conditioned sheds as well as outdoor enclosures.
