Good Afternoon,

1. The barn has not yet been permitted at all to my knowledge.
2. The barn was put up before we purchased the parcel, we would like to use the barn as storage and a shop. We will be maintaining the property and the shop, as it is across the street from our primary residence.
3. I am unsure when the barn was built it was here when we purchased the property. We are currently using it for storage.

Thank you for your time, please let me know if you need anything else from me! Thank you!!

Hi Cyndi Volz,

This is Cindy Chen, senior planner with Marion County Growth Services. We received your application regarding Special Use Permit for Parcel 1072-002-002 to request permission for an after-the-fact barn on the property. I'm reviewing your case and would like to request further information below:

1. Has the barn got any permit yet, such as building permit, etc?
2. What's the purpose for this barn? Who will use and maintain this barn? What will be stored in this barn?
3. When was the barn built? Has it been used or not and since when?

Please respond to this request for additional information by 5PM on Thursday May 30th, 2024.

Feel free to let me know if you have any questions.
