

TO : MARION COUNTY PLANNING & ZONING DIVISION,

LETTER OF OBJECTION :

We are writing to object to a notice dated April 09, 2021 referring to property Zoning change listed :

Agenda #210512Z

Parcel #37515-000-11

There is absolutely no basis for the changes from R-1 to R-2(two family dwelling). That will only affects the value of our property and increases traffic congestion to our neighborhood.

We appreciate your consideration to block the request of such changes.

Thank you,

Lee Hubbard

Subject: Zoning Change 210512Z; Parcels 37515-000-11

Dear Marion County Planning and Zoning Committee:

I own the property at 9994 SE 64th Ave, Belleview, FL 34420, in Golf Park, which is located within 300 feet of the subject property being considered for zoning changes. I purchased this property in 2014 and it is my primary residence.

One of the reasons I purchased the property was that all of the surrounding parcels were zoned R1. From the Public Notification for Zoning Change that I received, I noticed that the owner of the subject parcels (Flying Eagle Resources) is requesting a zoning change for their property to R2. **I object to this change**. The entire neighborhood is single family homes, and we would like it to remain that way. Flying Eagle Resources purchased the property knowing it was zoned R1, and therefore took possession knowing the restrictions that went with the property. If they want to build single family homes to sell, we surely welcome that, but to change the property to R2 and allow multi unit dwellings is inappropriate and I believe will adversely affect my property value in the future.

I have a great deal invested in my home, and appreciate your consideration of my views on this matter. I hope that you will deny the zoning change request.

Thank You,
Devon M. Ferdon
