Owner agrees that time is of the essence for the whole of this project. In order to preserve fair market conditions and using best available information at the time of this Agreement, Owner shall (a) accept County's bid price of \$16,267.60 for which Owner agrees to be liable; authorizing County to bill same; and authorizing County to coordinate Main construction pursuant to Owner's permit oversight and processing, or **(b) select Owner's preferred contractor to construct Main, providing a copy of its accepted contractor's proposal at a cost not to exceed \$16,267.60** to County within 30 calendar days, and provide for construction commencement within 90 calendar days; both schedules relative to the date this Agreement is recorded in the public records of Marion County, Florida. If Owner fails to perform timely, County may cancel this Agreement without penalty, no sooner than 10 calendar days of the issuance date of County's default notice to Owner. County may permit connections to its System only if it may lawfully do so or would not thereby violate any permit, license, restriction, injunctions, moratorium or denial of permission to connect imposed or issued by any court of competent jurisdiction or by any applicable governmental agency. County makes no other representation or agreement as to the availability of service in connection with development of the properties described in this Agreement. By entering into this Agreement, Owner acknowledges the stated limits on the permissibility to connect and hereby waives and relinquishes any right, claim, cause of action or other remedy whatsoever against County arising from, or as a result of Owner reasonably being denied connection. Once granted, the ability of Owner to connect provided by this Agreement shall be valid for a period of one (1) year from its recording date. This Agreement is non-transferable. Connection is conditioned upon and may not occur before the receipt of all necessary governmental permits, licenses, and approvals for, and completion of construction connected to System. Owner agrees to be responsible for constructing the distribution and transmission facilities in accordance with this

Agreement. This Agreement may be immediately and unilaterally terminated by the County without penalty for any default of this Agreement, to include: (a) Owner's violation or non-compliance with the provisions of this Agreement; (b) failure of Owner to fully perform any monetary obligation owed to County with regard to County's Utility service to Owner; (c) failure of Owner to comply with any conditions or requirements contained in any permits necessary for the project contemplated herein; (d) misrepresentation of fact in Owner's application; (e) failure to timely establish a new service account as needed; or (e) violation of any governing laws, rules, regulations, or codes.

The party executing this Agreement certifies it is fully authorized to bind Owner and understands the penalties for misrepresentation. Owner shall indemnify, defend, and hold harmless, release, and forever discharge County and its officers, board members, employees, agents, and instrumentalities, from and against any and all fines, suits, claims, demands, penalties, liabilities, costs or expenses, losses settlements, judgments and awards and action of whatever kind or nature arising out of, relating to, or resulting from the performance of this Agreement, including a reasonable attorney's fees and costs (and a reasonable attorney's fee and costs on appeal) and damages (including, but not limited to, actual and consequential damages) arising from any negligent, willful or wrongful misconduct, knowing misrepresentation or breach of this Agreement by Owner, its employees, agents, or subcontractors, to the extent that any such claim, damages, loss, or expenses is caused by any acts or omissions of Owner or anyone directly or indirectly employed by Owner.
