Marion County Parks and Recreation
111 SE 25th Ave.
Ocala, FL 34471

Accompanying this letter is a list of signatures of those petitioning for the installation of safety netting for Wrigley Baseball Fields, located at 405 CR E 316, Citra, FL 32113.

Due to the increased risk to spectators, officials, players, coaches, and the county, we request safety netting covering the high traffic areas around concessions, bathroom, bleachers, behind home plates, and team dugouts for Wrigley Field.

Protection for spectators, officials, players, and coaches: There is an inherent risk of injury while playing/attending/spectating baseball games. At Wrigley Field Baseball & Softball fields, there exists an extra layer of risk and potential for injury. The layout of the fields give way for being struck from all directions by foul balls. This not only increases the risk of injury but also can hinder the quality of experience for all present. When multiple games are playing at once, as they often are, it is near impossible to take the proper precautions to ensure one's safety.

Protection for Marion County: Proper netting would benefit Marion County Parks and Recreation by mitigating their exposure to increased insurance costs and costly litigation. In Florida, there have been a number of legal cases where cities and counties were judged responsible for injuries occurring at baseball games.

In conclusion, we kindly ask that Marion County Parks and Recreation consider our request to have safety netting installed at Wrigley Fields as soon as possible. We believe that this will go a long way in furthering Marion County's commitment to its citizen's safety and quality of life. We understand that requests such as these can come at a great cost and are ready, willing, and able to do our part in helping raise funds for this project. Any bit of help will be greatly appreciated.

Respectfully Submitted,

A handwritten signature in black ink that reads "Stephani Schuster". The script is cursive and fluid, with the first name "Stephani" and last name "Schuster" clearly legible.
