1.1 Adopt October 16, 2023 Meeting Minutes

A motion to approve the 10/16/24 PSCC Meeting Minutes was made by Vice Chair Judge Landt, seconded by Maj. Clint Bowen. With no further discussion and no objections, the motion passed unanimously.

Update on agenda publishing method

Chair Bryant mentioned that ongoing the PSCC agenda will be fashioned similarly to the BOCC agenda, in that it will be available online on the Marion County website and with two places for the public to give comment, the first opportunity for public comment will be to address items that the PSCC members may be voting on, and the second place will be for general comments.

2.1 Public Comment – Discussion – Action items

Cathy Wyckoff – Highest recidivists list

Ms. Wyckoff distributed copies of the highest recidivists list to the PSCC members, showing a range of highest number of arrests per individual at 94 to a minimum of 10 arrests.

3.1 Introduction of PSCC Member representing Probation/Pretrial Intervention Programs

Chair Bryant formally introduced Joshua Fairbrother, Professional Probation Services (PPS) Manager for Marion County, in the capacity of Director of Probation/Pre-trial Intervention programs for the PSCC advisory board.

3.2 SMA's Criminal Justice SA/MH Reinvestment Grant Application

Robin Lanier, VP of SMA's Marion County Services did a presentation on a 1-year Planning Grant for \$100,000.00 funded by the Florida Department of Children's and Families, to be utilized for a study to identify gaps in service in the criminal justice system for those with mental health issues with a target population of adults over 18 years old with mental health substance abuse disorders or co-occurring disorders, and that are currently in the criminal justice system; recidivists or with the potential for recidivism.

At the January 10, 2024 BCC Meeting, the Board voted to authorize SMA to apply for this grant on behalf of Marion County, and designated the county's Public Safety Coordinating Council (PSCC) as the planning council. SMA will manage the grant and update the PSCC board along the way during the PSCC meetings. SMA already secured the \$50,000 match requirement. SMA's approach will be as follows:

- Apply for the grant in consultation with the PSCC
- Implement planning activities
- Hire a Project Director to manage the process and report the PSCC
- Collect and maintain data
- Manage the grant and submit all required reports to DCF

This Planning grant will open the door to an Implementation grant of up to \$400,000 per year for three (3) years to implement findings.

Dana Olesky mentioned that over the next year the Marion County BOCC has committed to adding additional members to the PSCC as outlined in s. 394.657, F.S., but for today's purposes the PSCC only needs to provide authorization to SMA to apply for the planning grant.

Vice Chair Landt made a motion to authorize SMA to apply for the planning grant, motion seconded by Joshua Fairbrother. Chair Bryant opened the item for council discussion. Motion passed unanimously.

3.3 PSCC Re-entry Subcommittee

Rhonda Harvey provided an update on the meeting held by the re-entry subcommittee on Jan 9, 2024. Members of the sub-committee are to discuss meetings frequency and potential additional members at their next scheduled meeting, and update the PSCC at the next meeting.

3.4 District Consolidation

Cindy Harper updated the council on the outcome of the potential consolidation of the judicial districts. In the end, the Judicial Circuit Assessment Committee determined that a consolidation of the 20 existing districts will not be beneficial; no changes were recommended.

3.5 Florida Supreme Court Uniform Statewide Bond Schedule

Judge Hodges briefed the council on the bond schedule, emphasizing the schedule is meant for officers upon arrest, and went onto explaining criteria depending on charges. According to Maj. Bowen it may be too early to determine if the new schedule will have a significant effect on jail population numbers.

4. Members Open Discussion

Chair Bryant initiated discussion with the need to determine PSCC meetings frequency moving forward, the Re-entry Subcommittee charge and SMA grant's development, no other item requiring further address by the PSCC was identified. Chair Bryant suggested a quarterly PSCC meeting schedule, unless something within grant process prompts the need to meet sooner. Rhonda Harvey and Robin Lanier to keep the PSCC informed of such needs. Council agreed to meet in 3 months, and schedule quarterly meetings ongoing with the next meeting already scheduled for April 15, 2024. Council members are to communicate information to be discussed or shared in between meetings to the PSCC liaison, so that it is included in upcoming PSCC meeting agendas. PSCC liaison will also assist Re-entry Subcommittee members with virtual meetings scheduling. Dana Olesky answered Major Bowen that it is permissible to bring others into the re-entry subcommittee sessions if these individuals will help formulate recommendations to bring back to the full council.

5. Public Comments – General Public Comment

▪ Cathy Wyckoff (723 NW 30th Avenue)

Asked if there is a 5-yr plan projection on budget on jail growth, council members responded that it was addressed during the second PSCC meeting back in Aug 2023. Cathy then asked if there is a budget for additional building, to which Maj. Bowen responded that there was a presentation on jail expansion projects at the same Aug meeting. Chair Bryant added that it will be a Sales Tax project, believing is in the CIP. Copies of the documents mentioned to be provided to Ms. Wyckoff.

▪ Robert Fox (Foxy Bail bonds)

Commented on the bond schedule effects.

▪ Jennifer Murty (Ocala Gazette)

Question was not permitted, Ms. Murty was reminded that this section is for comments only.

Action Items for next meeting:

- Update on SMA grant
- Update from subcommittee on re-entry.
- Update on jail population over the next three (3) months, in relation to new bond schedule.

Adjournment:
